THE DAILY HORRID NEWS

Dangerous mummies roaming the streets

Yesterday afternoon, two young boys named Horrid Henry and Perfect Peter discovered that there were mummies lurking all around us!

The boys made this discovery after uncovering a Corner of the Mummy's Curse complete with a plastic body to mummify, a gauze for wrapping mummies, a curse book, amulets, and removable mummy organs!

Henry told us that on reading the curse book thoroughly, he realised that he needed to save and protect his brother as mummies are all around us and we don't even know it!

When we spoke to Henry about the book this is what he had to say, "I found something strange coming from Peter's bedroom. It sounded like grunting and wailing. Feeling brave, I went inside and found the book and a mummifying kit! I knew straight away that this kit would be dangerous for Peter, so I planned to take it from his room and hide it so it couldn't hurt anyone!" How brave!

When we asked Peter about it he said, "I didn't believe Henry at first, I thought he was just sweeping around my bedroom, as always, but when I asked mum, she said she was a mummy! I knew then that Henry was telling the truth and we had to perform a spell to rid mum of this terrifying curse!"

There you have it, two brave boys braved out the curse of the mummies and now their home is safe once more.

If you find yourself wondering if your mum is a mummy in disguise, Henry offers this advice to help you. First you must wrap a cat up in tea roll, beware of those sharp dangerous mummy claws though. Then find a human to sacrifice and wrap them up in tea roll too! They must remain silent for 30 minutes whilst you chant the cursed mummy spell. This should cure your mummy's curse.

Good luck young citizens, and beware the mummy's curse!
