Hospice Whispers Stories Of Life:

Hospice Whispers Carla Cheatham, 2015-07-17 When we fear death we miss out on a lot of life This book hopes to change that While hospices care for persons in their final days hospice is not about death It s all about LIFE real nitty gritty poignant funny challenging and bittersweet life in all its beauty and imperfection Those who have experienced hospice usually speak in reverential tones of this service and find themselves fearing death less because they have seen all the incredible life that happens until the final moment But those unfamiliar with hospice often misunderstand and fear it and the end of life Through first hand accounts that range from humorous to heart wrenchingly honest Carla shares the stories that continue to teach her the lessons of what it means to be truly present with ourselves and each other in this perfectly imperfect experience called life

Sharing Our Stories Rev Carla Cheatham, 2016-11-19 Grief can be an incredibly isolating process and persons deserve companions to let them know they are not alone With gentle poetic and down to earth language the stories in *Hospice Whispers Stories of Life* were like comforting friends offering understanding and validation for those grieving the death of a loved one Now there s a practical guide to support those in the grieving process *Sharing Our Stories* A Hospice Whispers Grief Support Workbook provides opportunities to reflect on the 38 original Hospice Whispers stories With poetry and quotes written by and for those grieving this workbook also provides additional insights about grief and the oft times confusing journey toward healing Designed for either individual or group work this text supports those who seek to make sense of their experience and build a new relationship with the person who is no longer there in physical form
