Hsc Lit For Arts Group 2015

Elizabeth Brooke

Hsc Lit For Arts Group 2015:

Arts-Research-Education Linda Knight,Alexandra Lasczik Cutcher,2017-12-01 Drawing from an international authorship and having global appeal this book scrutinizes suggests and aggravates the relationships boundaries and connections between arts research and education in various contexts Building upon existing publications in the field of arts based educational research it deliberately connects and disconnects the terms in order to expose and broaden the scope of this field thereby encouraging fresh perspectives This book portrays both contemporary theoretical prospects as well as contemporary examples of practice It also presents work of emerging scholars thereby growing the field The book includes academic text based chapters as well as poetry narrative fiction visual essays and combinations of text image sound video that demonstrate performance of music theatre exhibition and dance This book provides and provokes critical dialogue about the forms representations dissemination and intersections of the arts research and education This is a focused collection and resource for scholars and students with an international authorship perspective and audience *Creative Ageing and the Arts of Care* Elizabeth Brooke,2022-08-24 Making a case for cultural participation by older adults to enhance the quality of their lives and building on concepts of adult human development and empowerment Elizabeth Brooke reframes active ageing to include forms of creative expression and cultural participation crucial to transforming later stages of the life course

Qualitative Methods for Studying Groups Francesca Alby,Francesco Arcidiacono,Maria Fernandes-Jesus,Terri Mannarini,Laura Lucia Parolin,Liisa Voutilainen,2022-07-07 *Oxford Textbook of Creative Arts, Health, and Wellbeing* Stephen Clift,Paul Marc Camic,2016 There is growing interest internationally in the contributions which the creative arts can make to wellbeing and health in both healthcare and community settings A timely addition to the field this book discusses the role the creative arts have in addressing some of the most pressing public health challenges faced today Providing an evidence base and recommendations for a wide audience this is an essential resource for anyone involved with this increasingly important component of public health practice Systematic Approaches to a Successful Literature Review Andrew Booth,Anthea Sutton,Diana Papaioannou,2016-05-28 Showing you how to take a structured and organized approach to a wide range of literature review types this book helps you to choose which approach is right for your research Packed with constructive tools examples case studies and hands on exercises the book covers the full range of literature review techniques New to This Edition Full re organization takes you step by step through the process from beginning to end New chapter showing you how to choose the right method for your project Practical guidance on integrating qualitative and quantitative data New coverage of rapid reviews Comprehensive inclusion of literature review tools including concept analysis scoping and mapping With an emphasis on the practical skills this guide is essential for any student or researcher needing to get from first steps to a successful literature review **New Insights in the Health Benefits of Art** Olivier Beauchet,Auriane Gros,Andy Hau Yan Ho ,Ian Koebner,2024-06-11 In 2019 the World Health Organization demonstrated

with a scoping review that art based activities regardless of their characteristics have promising health benefits More specifically practicing art based activities was demonstrated to contribute to core determinants of health to play a key role in health promotion and prevention especially with regard to the onset of mental illness and age related physical decline and to assist in acute and end of life care This report also underscored first a lack of robust data on art s health benefits meaning data obtained with gold standard experimental study designs i e randomized control trials and second that certain topics e g social health and populations e g older community dwellers have been underexamined In addition little is known about both the mechanisms of art s health benefits and how to implement an art based activity for health purposes in practice

Revolutionizing Arts Education in K-12 Classrooms through Technological Integration Lemon, Narelle, 2015-04-30

Educational technologies are becoming more commonplace across the K 12 curriculum In particular the use of innovative digital technology is expanding the potential of arts education presenting new opportunities and challenges to both curricular design and pedagogical practice Revolutionizing Arts Education in K 12 Classrooms through Technological Integration brings together a variety of perspectives research and case studies that emphasize a pedagogical awareness of diverse learning styles while highlighting issues of ethics and equality across the educational landscape This timely publication is aimed at K 12 arts educators leading classrooms focusing on dance drama media music and the visual arts as well as pre service teachers museum and gallery educators policymakers and designers of academic curricula

Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies

Reading the World's Stories Annette Y. Goldsmith, Theo Heras, Susan Corapi, 2016-08-11 Reading the World s Stories is volume 5 in the Bridges to Understanding series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People USBBY is the United States chapter of the International Board on Books for Young People IBBY a Switzerland based nonprofit whose mission is bring

books and children together The series promotes sharing international children s books as a way to facilitate intercultural understanding and meet new literary voices This volume follows Children s Books from Other Countries 1998 The World though Children s Books 2002 Crossing Boundaries with Children s Books 2006 and Bridges to Understanding Envisioning the World through Children s Books 2011 and acts as a companion book to the earlier titles Centered around the theme of the importance of stories the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0 18 years Essays by storyteller Anne Pellowski author Beverley Naidoo and academic Marianne Martens offer a variety of perspectives on international youth literature This latest installment in the series covers books published from 2010 2014 and includes English language imports as well as translations of children s and young adult literature first published outside of the United States These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries The organization of the guide is geographic by region and country All of the more than 800 entries are recommended and many of the books have won awards or achieved other recognition in their home countries Forty children s book experts wrote the annotations The entries are indexed by author translator illustrator title and subject Back matter also includes international book awards important organizations and research collections and a selected directory of publishers known for publishing books from other countries

Insights in Aging and Public Health: 2021 Marcia G. Ory, Matthew Lee Smith, 2022-07-05

Therapeutic Targeting of Cancer Stem-Like Cells (CSC) - The Current State of the Art Cyril Corbet, Alexandre Prieur, 2020-04-03

Promoting Mental Health and Wellbeing Among Young People Maj Britt Dahl Nielsen, Susan Andersen, Sigurd Lauridsen, 2025-09-10 Mental disorders account for a large proportion of the disease burden in young people and poor mental health is strongly related to lower educational achievements and labor market attainment and other health problems including substance abuse violence and poor reproductive and sexual health Evidence suggests that the COVID 19 pandemic might have had a negative effect on young people's mental health and knowledge about secular trends in well being and mental health problems is important for planning public health interventions Research on health promotion and preventive interventions remains scarce and the mental health needs of young people are often unmet and research is

urgently needed to develop affordable and feasible interventions In Denmark and other countries the mental health of young people has been declining especially in the wake of COVID 19 The main goal of this research topic is to further our understanding of trends in mental health and well being among young people and aid the development of feasible and effective public health interventions This Research Topic welcomes empirical studies including qualitative quantitative and mixed method research design papers and systematic reviews focusing on but not limited to the following sub topics Trends in mental health and well being among young people The impact of COVID 19 on mental health and wellbeing New and emerging risks for mental health and well being for example related to online and mobile technology Barriers to treatment Development of affordable and feasible community based interventions Implementation and effectiveness of preventive and health promotion interventions including universal interventions and interventions targeting vulnerable groups
