Breen, 2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more

specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel Twain, Alcott, and the Birth of the Adolescent Reform Novel Roberta S. Trites,2009-11 Trites argues that Twain and Alcott wrote on similar topics because they were so deeply affected by the Civil War by cataclysmic emotional and financial losses in their families by their cultural immersion in the tenets of Protestant philosophy and by sexual tensions that may have stimulated their interest in writing for adolescents Trites demonstrates how the authors participated in a cultural dynamic that marked the changing nature of adolescence in America provoking a literary sentiment that continues to inform young adult literature Both intuited that the transitory nature of adolescence makes it ripe for expression about human potential for change and reform Bulletin ... of Books Added to the Public Library of Detroit, Mich Detroit Public Library,1901 **Faulkner and Print Culture** Jay Watson,Jaime Harker,James G.
