Spy, 1993-03 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump

Encyclopedia of Television Series, Pilots and Specials Vincent Terrace, 1985 **The Budget story books** Budget story books, 1898 *Single Season Sitcoms of the 1990s* Bob Leszczak, 2018-09-14 During the Must See TV 1990s, Americans enjoyed such immensely popular sitcoms as *Friends*, *Seinfeld*, *Home Improvement*, and *The Drew Carey Show*. Shows that did not make the ratings cut numbered in the hundreds. The emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these flops were actually quite good and deserved a better fate. The author revisits them along with the dramedies of the day with detailed entries providing production and broadcast information along with critical analyses and recollections by cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included. **Players of the Present** John Bouvé Clapp, Edwin Francis Edgett, 1899 **The Encyclopedia of Fantastic Film** R. G. Young, 2000-04 Thirty-five years in the making and destined to be the last word in fantasy film references. This incredible 1,017-page resource provides vital credits on over 9,000 films: 1896-1999 of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, retitle translation, information, running times, photographs, and several cross-referenced indexes by artist, year, song, etc. Paperback *Encyclopedia of Television: 1974-1984* Vincent Terrace, 1985 **The Republican War Against Women** Tanya Melich, 2009-10-21 In 1980, Republicans used appeals to sexist and racist bigotry to win the Presidency. The party adopted an electoral strategy that included getting votes by playing on the fear and uncertainty engendered by the civil rights and women's political movements and continued to use this strategy in the campaigns of 1984, 1988, and 1992. Under the Reagan and Bush administrations, this strategy became a crucial part of the party's governing policies. This book is not a political science treatise nor a description of political campaigns; it is a documented account of a grab for power that as the years pass continues to intensify antagonism between the sexes and to sow unnecessary division among the American people. As a longtime Republican activist and a delegate to the 1992 convention, Tanya Melich has observed these actions from within and documents this takeover and the Party's ongoing practices such as embracing the Christian right in a devastating factual and often hair-raising report. A combination of history, exposé, reasoned polemic, and call to arms, this book has now been enriched by two completely new chapters that assess the outcome of the 1996 election in terms of the book's thesis and realistically lays out the future both in terms of what it will be

if the right wing elements of the Republican party continue to set the agenda and how it can be changed if centrist women and men take charge of that agenda The heart of such change lies with Independents who now constitute a startling 39 percent of Americans 31 percent identify themselves as Democrats and 30 percent as Republicans We are not a country of strong party loyalties and the enormous growth of independents is the signal that change is not only possible but achievable As a superb political pro the author offers hardheaded strategies for such change *Catalog of Copyright Entries* Library of Congress.
