S.J.A. Turney,2017-10-16 Can the Empire survive its most awesome challenge yet Aram of the Inda a scattered people has seen his lands pillaged his sons taken and his empire crushed by the all powerful Jade Empire Its numberless armies have crushed the disunited Inda swarming in from the East But to the West lies another power the Empire ruled by mad Emperor Bassianus And something powerful is stirring in the wild mountains Power abhors a vacuum and the Inda lands are now fair game The stage is set for a showdown of cataclysmic proportions Aram and his sons will find themselves at the heart of events that will shake empires to their very foundations This clash of titans is the blood curdling conclusion to S J A Turney's Tales of the Empire perfect for fans of Simon Scarrow Ben Kane and Gordon Doherty **Gaming Representation** Jennifer

Malkowski,TreaAndrea M. Russworm,2017-07-03 Recent years have seen an increase in public attention to identity and representation in video games including journalists and bloggers holding the digital game industry accountable for the discrimination routinely endured by female gamers queer gamers and gamers of color Video game developers are responding to these critiques but scholarly discussion of representation in games has lagged far behind Gaming Representation examines portrayals of race gender and sexuality in a range of games from casuals like Diner Dash to indies like Journey and The Binding of Isaac to mainstream games from the Grand Theft Auto BioShock Spec Ops The Last of Us and Max Payne franchises Arguing that representation and identity function as systems in games that share a stronger connection to code and platforms than it may first appear the contributors to this volume push gaming scholarship to new levels of inquiry theorizing and imagination **PC Gamer** ,2008 A Brief Guide to Star Wars Brian J. Robb,2012-09-06 George Lucas was

a rebel refusing to make films in the style of the dying studio system relentlessly pushing the technology of the day and almost alone in understanding the potential of merchandising but he was a rebel who built an empire From the staggering unexpected success of the original Star Wars in 1977 when cinema attendances exceeded 20 million for the first time since 1963 through The Empire Strikes Back and Return of the Jedi then the dark times the 16 years leading to the blockbusting prequel trilogy this is the fascinating story of how it all happened Life long Star Wars fan and movie journalist Brian J Robb edited the official Star Wars magazine for a decade and visited the sets of Attack of the Clones and Revenge of the Sith in Australia observing director George Lucas at work as well as the famous Skywalker Ranch He has interviewed many of the stars and crew of all six Star Wars movies

The 36

Strategies of the Martial Arts Hiroshi Moriya,2013-05-14 In the spirit of The Art of War and The Book of Five Rings this fascinating strategy guide is full of ancient Chinese wisdom that can be applied to all areas of modern life The 36 Strategies of the Martial Arts is a classical collection of Chinese maxims on understanding engaging and defeating your enemy The origin of the collection is unknown however the text is a synthesis of various military maxims political expressions and even folk sayings some of which are from sources that date back 1 500 years Professor Hiroshi Moriya a Tokyo based authority on Chinese culture and philosophy supplies clear and succinct explanations of each maxim and illustrates them with examples not only from Chinese literature and history but also from events in Europe and modern business affairs This book will resonate with anyone interested in a classic approach to psyching out an opponent and emerging victorious in martial arts business sports or politics

**Critical Hits** Carmen Maria Machado,J. Robert Lennon,2023-11-21 A wide ranging anthology of essays exploring one of the most vital art forms on the planet today From the earliest computers to the smartphones in our pockets video games have been on our screens and part of our lives for over fifty years Critical Hits celebrates this sophisticated medium and considers its lasting impact on our culture and ourselves This collection of stylish passionate and searching essays opens with an introduction by Carmen Maria Machado who edited the anthology alongside J Robert Lennon In these pages writer gamers find solace from illness and grief test ideas about language bodies power race and technology and see their experiences and identities reflected in or complicated by the interactive virtual worlds they inhabit Elissa Washuta immerses herself in The Last of Us during the first summer of the pandemic Nana Kwame Adjei Brenyah describes his last goodbye to his father with the help of Disco Elysium Jamil Jan Kochai remembers being an Afghan American teenager killing Afghan insurgents in Call of Duty Also included are a comic by MariNaomi about her time as a video game producer a deep dive into portal fantasy movies about video games by Charlie Jane Anders and new work by Alexander Chee Hanif Abdurraqib Larissa Pham and many more

Ctrl-Alt-Play Matthew Wysocki,2013-02-15 The word control has many implications for video games On a basic level without player control there is no experience Much of the video game industry focuses on questions of control and ways to improve play to make the gamer feel more connected to the virtual world The sixteen essays in this collection offer critical examinations of the issue of control in video games including different ways to theorize and define control within video gaming and how control impacts game design and game play Close readings of specific games including Grand Theft Auto IV Call of Duty Black Ops and Dragon Age Origins consider how each locates elements of control in their structures As video games increasingly become a major force in the media landscape this important contribution to the field of game studies provides a valuable framework for understanding their growing impact

Gender and Sexuality in Contemporary Popular Fantasy Jude Roberts,Esther MacCallum-Stewart,2016-06-03 This book explores the ways in which contemporary writers artists directors producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality focusing on a range of media including television

episodes and series films video games and multi player online role play games novels and short stories comics manga and graphic novels and board games Engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism contributors pay close attention to the ways in which the producers of fantasy texts whether visual game cinematic graphic or literary texts are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity With rich case studies from the US Australia UK Japan and Europe all concentrating not on the critique of fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality but on examining the exploration of or attempt to make possible non normative gendered and sexual identities this volume will appeal to scholars across the social sciences and humanities with interests in popular culture fantasy media studies and gender and sexualities

**Digital Games as History** Adam Chapman,2016-05-05 This book provides the first in depth exploration of video games as history Chapman puts forth five basic categories of analysis for understanding historical video games simulation and epistemology time space narrative and affordance Through these methods of analysis he explores what these games uniquely offer as a new form of history and how they produce representations of the past By taking an interdisciplinary and accessible approach the book provides a specific and firm first foundation upon which to build further examination of the potential of video games as a historical form
