

The background is a composite image. On the left, a human brain is shown in a sagittal cross-section, glowing with a bright pink and red light. In the center, a human hand is raised, palm facing forward, with a warm orange glow emanating from the palm. On the right, a single neuron is depicted with a glowing white cell body and branching red dendrites. The overall color palette is dominated by cool blues and teals, with the glowing elements providing a strong contrast.
