Untouchable Randall Sullivan,2012-11-06 The investigative biography of Michael Jackson s final years A tale of family fame lost childhood and startling accusations never heard before ABC Nightline When Michael Jackson died on June 25 2009 millions of fans around the world were shocked But the outpouring of emotion that followed his loss was bittersweet Dogged by scandal for years and undone by financial mismanagement Jackson had become untouchable in many quarters Untouchable pulls back the curtain Jackson s public person to introduce a man who despite his immense fame spent his entire life utterly alone who in the wake of a criminal trial that left him briefly hospitalized abandoned Neverland to wander the globe before making one final and fatal attempt to recover his wealth and reputation The Jackson that emerges in these pages is both na ve and cunning a devoted father whose parenting became an international scandal a shrewd businessman whose failures nearly brought down a megacorporation and an inveterate narcissist who craved a quiet normal life Randall Sullivan delivers never before reported information about Jackson s business dealings his relationship with his family and the pedophilia allegations that derailed his life and mar his legacy today as well as the suspicious nature of his death Based on exclusive access to Jackson s inner circle Untouchable is an intimate unflinching portrait of the man who continues to reign as the King of Pop A dishy Michael Jackson biography that makes the exhaustively covered King of Pop fascinating all over again People *Jet* ,2009 *83 Minutes* Matt Richards,Mark Langthorne,2016-06-21 A definitive look at Michael Jackson s final minutes revealing for the first time the shocking details behind the tragic death of one of the world s biggest pop stars On June 25th 2009 the world was rocked by the tragic news that Michael Jackson the biggest and most influential music icon since Elvis Presley had died He was only 50 years old when paramedics pronounced him dead on arrival at a Los Angeles hospital For weeks after his death speculation and rumor abounded concerning the drugs in Jackson s system and the role Conrad Murray the singer s personal physician had played in the his death In 2011 Murray was tried and convicted of involuntary manslaughter for which he served two years in prison Now for the first time readers have access to a comprehensive and truly horrifying account of the crucial moments leading up to Jackson s demise Drawing on court documents and testimonials 83 Minutes presents a multi perspective tracking of every individual involved and the part they played as the tragedy unfolded examining forensically the

mystery of the 83 minutes that elapsed from the moment Dr Murray suggested he found Jackson not breathing to the moment the singer's lifeless body was wheeled into hospital. Evenhanded and unbiased, Matt Richards and Mark Langthorne's account is rich with detail, including the specific cocktail of drugs employed in an attempt to keep Jackson alive and the harrowing conditions in which the troubled genius's life ended. Included as well is the story of the legal struggle for control of Jackson's assets that followed his death, where Richards and Langthorne report that the combined earnings of Jay Z, Taylor Swift and Kanye West since Michael Jackson died come nowhere near the revenues Jackson has earned for his estate after his death. Written with documentary flair, this powerful and compelling book is already emerging as the definitive account of one of the darkest hours in music history. *Whitaker's Cumulative Book List*, 1973 **Who's Who in America** Marquis Who's Who, Inc., 2002 **Unmasked** Ian Halperin, 2009-07-13 1 NEW YORK TIMES BESTSELLER In late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live. His investigation into Jackson's failing health made headlines around the globe. Six months and a day later the King of Pop was dead. The planned London concerts would have earned millions for the singer and his entourage, but he could never have completed them, not mentally and not physically. Michael knew it, and his advisers knew it. Anyone who caught even a fleeting glimpse of the frail 50-year-old hiding beneath the costumes and cosmetics would have understood that the London tour was madness. Why did it happen this way? After an intense five-year investigation, New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years. **Was Michael Jackson Murdered? You Be the Judge** Everett Watson, 2019-09-19 Was Michael Jackson Murdered? You Be the Judge By Everett Watson Was Michael Jackson Murdered? You Be the Judge was inspired by the late pop star's untimely death and the controversy surrounding it. Looking into his death drove the author to produce a movie called *The Murder of Michael Jackson: The Perfect Murder*. In this book, Everett Watson provides all the evidence he found that shows incontrovertible evidence that Michael Jackson's death wasn't an accident or suicide, but premeditated murder.

*Target* Concha Calleja, 2020-11-20 THE NEWEST AND HIDDEN VISION OF THE KING OF POP In the early morning of June 25, 2009, Michael Jackson's doctor enters his room and finds him out of breath. His pulse is barely detectable. Hours later, his death is declared at UCLA Ronald Reagan Medical Center, and the news goes around the world. The Michael Jackson case was so famous that no one knows about it. That is the answer that the author gives to why she has been involved in the investigation of what could happen that night. The official version does not suit her. The results of her investigations make up this volume, where she lets us see Jackson's profile and the psychological autopsy she performs under the strange mysteries of his death. In this book, Calleja opens a meticulous investigation in which the reader can solve at the same time the unknowns that remain unanswered ten years after his death. What if the doctor convicted of involuntary homicide was not the culprit of the death of Jackson? What if the homicide was not involuntary? Who is behind his death? Who did it benefit? Was he worth more dead than alive? And fundamentally, who was really Michael Jackson? From the hand of the author, the reader will

know the forensic testimonies the federal police and judicial evidence the economic data and will see the images the graphics and the unpublished documents in her archive Everything at your disposal to give your verdict A case that is still alive a goal and a mystery that continues to move the world Because Michael Jackson is regardless of who it weighs more news than ever
