

The background of the cover features a close-up, shallow depth-of-field photograph of a laboratory setting. In the foreground, a glass petri dish is filled with a vibrant blue agar medium. To its left, another petri dish contains a pink agar medium. A glass dropper with a blue cap is positioned above the blue dish, as if it has just added a drop. In the background, a white lab coat is draped over a surface, and other laboratory equipment is faintly visible. The overall lighting is bright and clinical.
