Mitsubishi Radio Manual:

Moody's Manual of Railroads and Corporation Securities ,1924 **Handbook on Japanese Military Forces**
United States. War Department,1942 *Handbook on Japanese Military Forces, September 21, 1942* United States. War
Department,1942 *Catalog of Aeronautical and Allied Technical Documents* United States. Army Air Forces. Matériel
Command,1946 *Pacific Ports Manual* ,1918 **The Autocar** ,1988-06 *Japanese War Crimes and Related Topics: A*
Guide to Records at the National Archives United States. National Archives and Records Administration,200? This finding aid
will help researchers interested in Japanese war crimes war criminals and war crimes trials to navigate the vast holdings of
the U S National Archives and Records Administration at College Park NARA It will also be useful to anyone interested in
military intelligence political diplomatic economic financial social and cultural activities in the Far East during 1931 1951 as
well as to those searching for information regarding Allied prisoners of war the organization functions and activities of
American and Allied agencies and the Japanese occupation of countries and the American occupation of Japan While not
aimed at researchers interested in the strategic and tactical military and naval history of the war in the Far East this finding
aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may
bear on those topics This finding aid covers records from over twenty record groups and includes materials declassified
under the Japanese Imperial Government Disclosure Act of 2000 P L 106 567 as well as records that were never classified
and those declassified before the passage of the Disclosure Act Because the process of identifying declassifying accessioning
and processing of records under the Act is taking place as this finding is being compiled late arriving records may not be
identified in this finding aid Researchers should consult the IWG Web site <http://www.archives.gov/iwg> for a complete and up
to date list of records declassified under the Japanese Imperial Government Disclosure Act Federal agencies involved in the
identification and declassification of relevant classified records ascertained that there were relatively few pertinent records
that were still classified Most relevant records were either never classified or were declassified decades before the Act and
were already in NARA s custody While this finding aid s coverage is broad it is not comprehensive Researchers may find
other relevant series of records within the record groups mentioned or not mentioned Researchers are encouraged to use
other finding aids and consult with NARA staff to locate records of interest In addition the National Archives at College Park
holds nontextual records such as still photographs and motion pictures that researchers may want to examine Other NARA
facilities hold many records and donated material related to World War II including records related to the subjects covered in
this finding aid This is particularly true of the Franklin D Roosevelt the Harry S Truman and the Dwight D Eisenhower
as vast mountain ranges of records with the archivists guiding the expeditions Explorations on familiar well trodden paths
produce new perspectives when examined with fresh eyes and imagination **Federal Register** ,1998-12
