Y. Makanjuola, 2016-04-30 This book captures Nigeria's crisis management experience and lessons learnt during the five year tenure of Sanusi Lamido Sanusi as CBN Governor It provides a backdrop of the sub prime mortgage crisis in the US characterised by the Lehman Brothers debacle in 2007-08 which precipitated global economic and financial crisis

Federal Register, 2012-05 God, Guns, and Sedition Bruce Hoffman, Jacob Ware, 2024-01-02 Shocking acts of terrorism have erupted from violent American far right extremists in recent years including the 2015 mass murder at a historic Black church in Charleston and the January 6 2021 attack on the U S Capitol These incidents however are neither novel nor unprecedented They are the latest flashpoints in a process that has been unfolding for decades in which vast conspiracy theories and radical ideologies such as white supremacism racism antisemitism xenophobia and hostility to government converge into a deadly threat to democracy God, Guns, and Sedition offers the definitive account of the rise of far right terrorism in the United States and how to counter it Leading experts Bruce Hoffman and Jacob Ware trace the historical trajectory and assess the present day dangers of this violent extremist movement along with the harm it poses to U S national security They combine authoritative nuanced analysis with gripping storytelling and portraits of the leaders behind this violence and their followers Hoffman and Ware highlight key terrorist tactics such as the use of cutting edge communications technology the embrace of leaderless resistance or lone wolf strategies infiltration and recruitment in the military and law enforcement and the movement's intricate relationship with mainstream politics An unparalleled examination of one of today's great perils God, Guns, and Sedition ends with an array of essential practical recommendations to halt the growth of violent

far right extremism and address this global terrorist threat **Canadian State Trials, Volume V** Barry Wright, Susan Binnie, Eric Tucker, 2022-11-01 The fifth and final volume of the Canadian State Trials series examines political trials and national security measures during the period of 1939 to 1990 Essays by historians and legal scholars shed light on experiences during the Second World War and its immediate aftermath including uses of the War Measures Act and the Official Secrets Act with the unfolding of the Cold War and legal responses to the FLQ including the October Crisis labour strikes and Indigenous resistance and standoffs The volume critically examines the historical and social context of the trials and measures resulting from these events concluding the first comprehensive series on this important area of Canadian law and politics The fifth volume s exploration of state responses to real and perceived security threats is particularly timely as Canada faces new challenges to the established order ranging from Indigenous nations demanding a new constitutional framework to protestors challenging discriminatory policing and contesting public health measures Osgoode Society for Canadian Legal History Avoiding War with China Amitai Etzioni, 2017-05-02 Are the United States and China on a collision course In response to remarks made by Donald Trump s secretary of state China s state run newspaper Global Times asserted Unless Washington plans to wage a large scale war in the South China Sea any other approaches to prevent Chinese access to the disputed islands will be foolish Some experts contend that conflict is inevitable when an established power does not make sufficient room for a rising power In this timely new work renowned professor of international relations Amitai Etzioni explains why this would be disastrous and points to the ways the two nations can avoid war The United States is already preparing for a war with China Etzioni reveals However major differences of opinion exist among experts on the extent of military commitment required and no plan has been formally reviewed by either Congress or the White House nor has any been subjected to a public debate Etzioni seeks here to provide a context for this long overdue discussion and to explore the most urgent questions How aggressive is China How powerful is it Does it seek merely regional influence or regional dominance or to replace the United States as the global superpower The most effective means of avoiding war several experts argue requires integrating China into the prevailing rule based liberal international order Etzioni spells out how this might be achieved and considers what can be done to improve the odds such an integration will take place Others call for containing or balancing China and Etzioni examines the risk posed by our alliances with various countries in the region particularly India and Pakistan With insight and clarity Etzioni presents our best strategy to reduce tension between the two powers mapping out how the United States can accommodate China s regional rise without undermining its core interests its allies and the international order *Rwanda 1994* Barrie Collins, 2014-08-26 Through a rigorous critique of the dominant narrative of the Rwandan genocide Collins provides an alternative argument to the debate situating the killings within a historically specific context and drawing out a dynamic interplay between national and international actors

Environmental Fiscal Challenges for Cities and Transport Marta Villar Ezcurra, Janet E. Milne, Hope Ashiabor, Mikael Skou

Andersen,2019 As populations become increasingly concentrated in urban centres and mega cities while demands on transportation continue to grow the question of how to mitigate the environmental footprint of these trends is ever more pressing This comprehensive book demonstrates the potentially significant role of environmental taxation and other market based instruments in meeting these challenges Yearbook of International Organizations Online 2011-2012 Union of International Associations,2011-06 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **Tracing and Documenting Nazi Victims Past and Present** Henning Borggräfe,Christian Höschler,Isabel Panek,2020-06-08 After World War II tracing and documenting Nazi victims emerged against the background of millions of missing persons and early compensation proceedings This was a process in which the Allies international aid organizations and survivors themselves took part New archives documentation centers and tracing bureaus were founded amid the increasing Cold War divide They gathered documents on Nazi persecution and structured them in specialized collections to provide information on individual fates and their grave repercussions the loss of relatives the search for a new home physical or mental injuries existential problems social support and recognition but also continued exclusion or discrimination By doing so institutions involved in this work were inevitably confronted with contentious issues such as varying political mandates neutrality vs solidarity with those formerly persecuted data protection vs public interest and many more Over time tracing bureaus and archives changed methods and policies and even expanded their activities using historical documents for both research and public remembrance This is the first publication to explore this multifaceted history of tracing and documenting past and present **Department of Health** Great Britain: Parliament: House of Commons: Committee of Public Accounts,2007-04-17 The National Programme for IT in the NHS the Programme was set up to utilise information technology to help provide high quality services to patients using centrally managed procurement to provide impetus to the uptake of IT and to secure economies of scale Expenditure on the Programme is expected to be 12.4 billion over ten years to 2013/14 Following a National Audit Office report HC 1173 session 2005/06 ISBN 9780102938289 the Committee examined progress made by the Department of Health in implementing the Programme particularly the current status of the shared electronic patient clinical record the costs of the Programme the local management and implementation of the systems within the NHS the extent to which clinicians were involved in developing the systems the management of suppliers and patient confidentiality Four overall conclusions are drawn 1 the piloting and deployment of the shared electronic patient clinical record is already running two years behind schedule and no firm implementation date exists 2 the suppliers to the Programme are clearly struggling to deliver one of the largest Accenture has now withdrawn and the Department is unlikely to complete the Programme anywhere near its original schedule 3 the Department has much still to do to win hearts and minds in the NHS especially among clinicians and needs to show that it can deliver on its promises supply solutions that are fit for purpose learn from its mistakes and respond constructively to

feedback from users in the NHS 4 there is still much uncertainty about the costs of the Programme for the local NHS and the value of the benefits it should achieve

Denmark International Monetary Fund. European Dept.,2013-01-23 The global financial crisis hit Denmark hard and the recovery has been slow and unsteady Denmark s slow growth predates the recent economic crisis and the economy has underperformed its regional peers The current account remains in surplus largely reflecting weak domestic demand since the crisis and strong net income Monetary policy is based on maintaining a tight peg to the euro Denmark s financial system has rebuilt capital but still has substantial vulnerabilities Potential growth is expected to recover gradually

Technical Abstract Bulletin ,1979 Law, Life, and the Teaching of Legal History Ian C. Give and Take Shirley Tillotson,2017-11-17 Can a book about tax history be a page turner You wouldn t think so But Give and Take is full of surprises A Canadian millionaire who embraced the new federal income tax in 1917 A socialist hero J S Woodsworth who deplored the burden of big government Most surprising of all Give and Take reveals that taxes deliver something more than armies and schools They build democracy Tillotson launches her story with the 1917 war income tax takes us through the tumultuous tax fights of the interwar years proceeds to the remaking of income taxation in the 1940s and onwards and finishes by offering a fresh angle on the fierce conflicts surrounding tax reform in the 1960s Taxes show us the power of the state and Canadians often resisted that power disproving the myth that we have always been good loyalists But Give and Take is neither a simple tale of tax rebels nor a tirade against the taxman Tillotson argues that Canadians also made real contributions to democracy when they taxed wisely and paid willingly
