**ASAP Recovery** Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom. Therefore, whether you are here for sin, addiction, loss, brokenness, burnout, needing a fresh move of God in your life, or to find healing for the pains of the past or for your damaged emotions, the Word of God promises that this freedom is available to all of His children. And yet how many people do you know who are truly walking in this promised freedom? ASAP Recovery Building on the Right Foundation addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way. All of the Bible is Inspired or written by God. 2 Timothy 3:16-17. All of the Bible is Inerrant or without errors. Psalm 18:30. All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will. Isaiah 55:11. The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is: If you don't believe the first claim that God wrote the Book, then you will never believe the second claim that it is without errors. And if you never believe this second claim, then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible. By the end of this book, you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach, thus establishing it as the only foundation to build our life and recovery on. Furthermore, you will also find that no matter who you are, where you've been, what you've done, or how far gone you may

be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart's desire freedom ABOUT THE AUTHOR Having lost everything Chuck Chapman came to know Christ while in jail in 2007 Today he is the founder and director of ASAP Recovery Inc a faith based recovery program for those seeking cure over maintenance for any addiction or life controlling issue He is also the Pastor of Recovery Community Church in Covington KY Chuck has a major burden for biblical truth as well as the lost especially those who are bound by addiction He is a graduate of Teen Challenge International of Southwest Florida having overcome his own demons of addiction After rehab Chuck went on to acquire a Bachelor's Degree in Bible and Theology from God's Bible School College in Cincinnati Ohio He is also an ordained pastor in the Church of the Nazarene Chuck is the author of ASAP Recovery Tearing Out the Old Foundation and It Is Written A Field Guide to Spiritual Warfare He has now been sober and working with people in recovery and the church for over sixteen years His partner in ministry is his supportive wife Lisa They are currently in the process of writing the third book in the ASAP Recovery series *The Struggle to Change Healthcare* Andrea Johnston, 2024-01-23 This book is intended for a broad audience including healthcare professionals individuals considering a career in the medical field and those in executive level positions who have the power to introduce a different approach to delivering medical attention within the healthcare industry It is also written for anyone interested in understanding the challenges nurses face in maintaining a work life balance This is the story of my journey a journey that has not only shaped my life but has also ignited a vision for potential solutions to address the challenges within today's troubled healthcare system This story includes a blueprint outlining a dream and demonstrating how we can leverage our existing resources to establish a sustainable functional and positive outcome based healthcare system *Painkillers, Heroin, and the Road to Sanity* Joani Gammill, 2014-06-10 Recovery from prescription painkiller or heroin addiction can feel impossible with low numbers of people sustaining recovery But there is hope With guidance from those in long term recovery along with new approaches to treatment a healthy drug free life is possible Recovery from prescription painkiller or heroin addiction can feel impossible especially considering that those who have gone through typical twenty eight day treatment programs often experience relapses and sometimes even fatal overdoses But there is hope In *Painkillers Heroin and the Road to Sanity* recovering addict and prominent interventionist Joani Gammill offers a radically effective approach for those struggling with opiate addiction sharing sometimes controversial tips that have worked for others who are in long term recovery Gammill examines the science behind the low numbers of people sustaining recovery from the disease of opiate addiction Tapping the pioneering work of treatment professionals whose new approaches are changing the way we think about opiate addiction she offers practical steps for creating a realistic and effective recovery plan Gammill affirms that recovery from opiate addiction is a process not an event This honest and trustworthy guide reveals that although it may not happen in one detox or treatment experience a healthy drug free life is possible *Research in the Social Scientific Study of Religion, Volume 29*

**Recovery Skills Manual** Paul H. Earley, 2020-09-29 A cohesive addiction treatment model based upon the concept that addiction recovery is a learned skill This step by step guide designed is drawn from the basic concepts found in Dr Earley s *Recovery Skills Manual A Neuroscientific Approach to Treating Addiction* It is designed to help practitioners implement RecoveryMind Training RMT in outpatient practice ASAM Level 1 IOP Level 2 1 Partial Hospitalization Level 2 5 or Residential program Levels 3 1 to 3 7 To be successful the learning involved in recovery has to overcome the complex and hard wired entrainment produced by the use of highly reinforcing drugs including alcohol The RMT model describes the dynamics of active addiction with regard to its effects on the brain motivations drives memories and cognitive distortions with the term Addict Brain Recovery is facilitated through the learning of a structured set of skills that promote changes in thoughts beliefs and actions and bring about Recovery Mind **Rearticulating Motives** Morten Nissen, 2023-11-20 This book presents a theory of motives that has evolved over decades in dialogue with academics and with practitioners The key proposal is that of collectively cultivating meta motives rather than the ubiquitous recipes for manipulating self regulation Cultivating meta motives can proceed through rearticulating motives Such rearticulation engages with theories and practices of motivation and motives First this is a discussion of the psychologies of motivation and a reflection of post psychology as a

way forward Second this discussion takes us back to fundamental problems with subjectivity and with psychology even critical psychology as a way of addressing it Third out of this theoretical work come concepts that are put to work in understanding practices of modelling and cultivating motives clinical social work and educational practices In the first instance as a critique of contemporary pragmatic practices and then by rearticulating aesthetic practices as ways to expand and overcome those Fourth this has implications for the cultivation of the competence in care for motives and for the place of theory in this competence The book provides both a theoretical argument and a resource for those professionals in education social work and health who seek a qualitative understanding of what they do     Appalachian Free Spirit Duke

Talbott,2019-08-20 Gnosticism Buddhism and Taoism coupled with the Twelve Steps provide a road to recovery for an Appalachian former Peace Corps Volunteer in Somalia and infantry sergeant in Vietnam to find a new way of life salvaged from PTSD and the long term addiction that followed in its aftermath Draws on numerous letters written to the author s parents from Somalia and Vietnam half a century ago     Sobering Wisdom Jerome A. Miller,Nicholas Plants,2014-12-31 Originally developed by Alcoholics Anonymous the Twelve Step program now provides life direction for the millions of people worldwide who are recovering from addiction and undergoing profound personal transformation Yet thus far it has received surprisingly little attention from philosophers despite the fact that like philosophy the program addresses all important questions regarding how we ought to live In Sobering Wisdom Jerome A Miller and Nicholas Plants offer a unique approach to the Twelve Step program by exploring its spirituality from a philosophical point of view Drawing on a variety of thinkers from Aristotle to William James and from Nietzsche to Foucault as well as a diverse range of philosophical perspectives including naturalism Buddhism existentialism Confucianism pragmatism and phenomenology the contributors to this volume address such questions as the relation of personal responsibility to an acknowledgment of powerlessness the existence of a higher power and the role of virtue in recovery Ranging in tone from deeply scholarly to intensely personal their essays are written in an accessible way for a broad audience that includes not only philosophers theologians and psychologists but also spiritual directors health professionals and addiction counselors Perhaps most important the book is also conceived for those involved in Twelve Step programs whose lives are being transformed by the experience     *Cities and Homelessness* Joaquin Jay Gonzalez III,Mickey P. McGee,2021-05-07 Homelessness in America s cities remains a growing problem The homeless today face the same challenges as in years past poverty tenuous or no ties to family and friends physical and mental health issues and substance abuse Compared to the 1950s to 1970s more homeless are now sleeping on city streets versus in shelters or single room hotels Homelessness rates are affected by economic trends lack of equitable and inclusive healthcare and housing decline in public assistance programs and natural and man made disasters This collection of essays covers case studies innovations practices and policies of municipalities coping with homelessness in the 21st century     **TRAUMA** Mattie Leonard,2025-04-22 In TRAUMA Healing the Wounds Within Mattie Leonard shares the transformative steps she took

**Surviving Trauma: Healing the Child Within** Christina Hoffert, 2023-10-24 In Surviving Trauma Healing the Child Within the author takes readers on a deeply personal and courageous journey of self discovery and recovery The book opens with a raw and honest reflection on the hesitations and self doubt that often accompany the idea of sharing one's experiences of trauma mental health struggles and personal growth The author grapples with questions like Am I cured enough to tell people I have survived the traumas of my past and Will people label me a hypocrite or a phony The narrative unfolds as the author embarks on a profound exploration of their own struggles with PTSD major depression addiction eating disorders anxiety homelessness incarceration domestic violence and more These experiences have been learned the hard way through pain and suffering The author dispels the myth that there is a magic solution to life's problems and shares the realization that they will never be perfect nor will life be without challenges The heart of this book lies in the belief that one's experiences and the lessons learned from them can be valuable to those who are currently battling their own demons The author discovers that their own journey while filled with pain and darkness can serve as a beacon of hope for others who have endured trauma and its aftermath Throughout the narrative the author provides insights and guidance for those who are struggling offering tools for healing and personal growth One of the central suggestions the author offers is journaling They emphasize its importance for several reasons Firstly it allows individuals to release overwhelming emotions and thoughts without concern for grammar or coherence Journaling serves as a safe space to express the myriad feelings and fears that may be consuming one's mind Additionally it provides a means of processing these emotions When revisiting journal entries later individuals can identify irrational thoughts and replace them with a more accurate perspective The act of journaling also serves as a way to track personal progress over time Readers are encouraged to go back and review earlier entries allowing them to see how their thinking has evolved and improved By doing this the author demonstrates how their own journals from previous years were much more negative and self defeating illustrating the power of self reflection and growth Lastly journaling can reveal patterns and triggers that may not have been consciously recognized The author shares a

personal example of discovering that anxiety attacks correlated with the week before their menstrual cycle Such revelations can help readers better understand the factors that contribute to their emotional well being Each chapter concludes with a healing journaling exercise providing readers with practical tools to aid in their own healing journey The author strongly encourages journaling as a daily practice or as a resource to turn to during moments of overwhelming depression or anxiety Through heartfelt and candid storytelling this book offers hope and inspiration to those grappling with trauma and mental health challenges reminding them that they are not alone in their struggles and that healing is possible **Boundary**
