

### **Where the Danger Is**

The weather was cold and gray as usual at this time of year. The trees were all leafless, with fall now just a memory. Christmas was just a few weeks away, and all the kids were looking forward to staying home from school for a few weeks and to the “big payoff” on Christmas morning. Not having to go to school was good, but usually by the time vacation was over, going to school was a big relief. Back to the friends to compare “loot” from Christmas and, to reestablish those fragile ties that hold kids together. At school, students were praised for doing good work, not belittled for each and every mistake. No one there was fighting, and being too loud was against the rules. Right now, the world outside of home was more safe and structured, not chaotic, scary and loud. Even when bad things did happen, it was always far away and nothing to be too concerned about. With Dad often having too much to drink, and Mom just mad at everyone all the time, being home was not usually a very pleasant experience.

Playing outside in the woods or at a friend’s house was the norm for three of us kids. We knew everyone that lived on our road, and except for the cranky old people who lived at the bottom of the hill, everyone was nice to us. In a small rural community, the only thing to be feared at that time of year was crashing on a sled or frost bite from staying out too long. Unless something like that happened, the only rule was to be home before dark.

But that weekend morning was different. We were all home, and the day was starting off rather quietly. None of the kids were arguing, no dogs were barking, and Mom and Dad were actually talking, not shouting or sniping at each other. Dad was sitting at his spot at the dining room table, and Mom was in the kitchen starting breakfast. Usually sitting along the table with

altered the traditional monolithic practice of teaching Chinese writing in the Confucian spirit The author focuses on four aspects of this history the Chinese negotiation with Anglo American rhetoric their search for innovative approaches to instruction students situated use of English writing and local scholarship in English composition Unlike previous composition histories which have tended to focus on institutional disciplinary and pedagogical issues Writing in the Devil s Tongue brings students back to center stage by featuring several passages written by them in each chapter These passages not only showcase rhetorical and linguistic features of their writings but also serve as representative anecdotes that reveal the complex ways in which students responding to their situations performed multivalent intercultural discourses In addition You moves out of the classroom and into the historical cultural and political contexts that shaped both Chinese writing and composing practices and the pedagogies that were adopted to teach English to Chinese in China Teachers students and scholars reading this book will learn a great deal about the political and cultural impact that teaching English composition has had in China and about the ways in which Chinese writing and composition continues to be shaped by rich and diverse cultural traditions and political discourses In showcasing the Chinese struggle with teaching and practicing bilingual composition Writing in the Devil s Tongue alerts American writing scholars and teachers to an outdated English monolingual mentality and urges them to modify their rhetorical assumptions pedagogical approaches and writing practices in the age of globalization
