After going over the elements with them, I will check if students can provide examples of narrative elements and put them into narrative form.

Summative: In the end of the unit, students will be able to write their own narrative that includes plot, setting, characters, problem and solution. Formative: As a class, we will make a story together through student-suggested ideas. This will show me which students understand the narrative genre and which may need more support. Summative: Throughout the unit, students will be creating their own narratives that will be edited and revised.
