

# Story Planner

## 1. Beginning:

- Arrived at the hospital with my husband
- They tried to take my blood pressure but my arm was too small for the cuff and it kept squeezing and squeezing. It hurt so much but they finally made it work.
- They took me to a hospital bed.

## 2. Middle

- I sat in a chair and didn't want to get in the bed because I was so scared.
- A nurse came and told me that she was going to put in my IV.
- I was crying because I am so afraid of needles. She put the IV in and it didn't feel very good.

## 3. End

- I said goodbye to my husband and they wheeled my bed downstairs for anesthesia. The nurses there were so kind to me, but I was still shaking because I was so scared.
- I don't remember falling asleep or any of the surgery, but I do remember waking up and being so happy to see my husband again.
