Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix,Prew, Martin,2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book s chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education s present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years **Early mathematics counts** Yasmin A Sitabkhan,Linda Platas,2018-07-23 This occasional paper examines common instructional strategies in early grade mathematics interventions through a review of studies in classrooms in low and middle income countries Twenty four studies met the criteria for inclusion and analyses reveal four sets of instructional strategies for which there is evidence from multiple contexts Of the 24 studies 16 involved the use of multiple representations 10 involved the use of developmental progressions 6 included supporting student use of explanation and justification and 5 included integration of informal mathematics Based on the review we provide conclusions and recommendations for future research and policy The Politics and Governance of Basic Education Brian Levy,Robert Cameron,Ursula Hoadley,Vinothan Naidoo,2018-08-24 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations All over the world economic inclusion has risen to the top of the development discourse A well performing education system is central to achieving inclusive development but the challenge of improving educational outcomes has proven to be unexpectedly difficult Access to education has increased but quality remains low with weaknesses in governance comprising an important part of the explanation The Politics and Governance of Basic Education explores the balance between hierarchical and horizontal institutional arrangements for the public provision of basic education Using the vivid example of South Africa a country that had ambitious goals at the outset of its transition from apartheid to democracy it explores how the interaction of politics and institutions affects educational outcomes By examining lessons learned from how South Africa failed to achieve many of its goals it constructs an innovative alternative strategy for making process combining practical steps to achieve incremental gains to re orient the system towards learning **Resources in Education** ,2001-10 *Glimpses into Primary School Teacher Education in South*

Africa Sarah Gravett, Elizabeth Henning, 2020-11-05 This book explores the current landscape of Initial Teacher Education ITE in primary schools in South Africa Considering recent policy directives and initiatives it highlights the dilemmas of ITE for the primary school and gives a thorough account of innovations and initiatives to improve ITE The book presents what works best for quality preparation of teachers in the Global South where many children rely on their teachers and school life to break the cycle of poverty Chapters draw on evidence from workplace learning pre service study and primary school teacher education policy to highlight examples of promising change in teacher education in South Africa addressing the clash of theory versus practice head on This book successfully brings out the challenging aspects of teacher education for childhood learning which has otherwise been regarded as the softer option for a career in education This book will be of great interest for academics researchers and post graduate students in the fields of teacher education African education educational policy international education and comparative education *Annual Performance Plan Mpumalanga* (South Africa). Department of Education, 2015 [Internet of Things, Infrastructures and Mobile Applications](#) Michael E. Auer, Thrasyvoulos Tsiatsos, 2020-09-10 This book gathers papers on interactive and collaborative mobile learning environments assessment evaluation and research methods in mobile learning mobile learning models theory and pedagogy open and distance mobile learning life long and informal learning using mobile devices wearables and the Internet of Things game based learning dynamic learning experiences mobile systems and services for opening up education mobile healthcare and training case studies on mobile learning and 5G network infrastructure Today interactive mobile technologies have become the core of many if not all fields of society Not only do the younger generation of students expect a mobile working and learning environment but also the new ideas technologies and solutions introduced on a nearly daily basis also boost this trend Discussing and assessing key trends in the mobile field were the primary aims of the 13th International Conference on Interactive Mobile Communication Technologies and Learning IMCL2019 which was held in Thessaloniki Greece from 31 October to 01 November 2019 Since being founded in 2006 the conference has been devoted to new approaches in interactive mobile technologies with a focus on learning The IMCL conferences have since become a central forum of the exchange of new research results and relevant trends as well as best practices The book's intended readership includes policymakers academics educators researchers in pedagogy and learning theory schoolteachers further education lecturers practitioners in the learning industry etc *Conflict and Governance* Susan Brown, 2005 The Authors interrogate the manner in which South Africa's changing economy is re-shaping the political and the social landscape Based on in depth analysis of the data suggestions are made for future policy development *Handbook of Literacy in Diglossia and in Dialectal Contexts* Elinor Saiegh-Haddad, Lior Laks, Catherine McBride, 2022-03-14 This volume is the first published collection of papers on the impact of diglossia and dialectal variations on language and literacy acquisition impairment and education The authors are pioneering in this field and are leading researchers with substantial experience in conducting

research in this area A wide range of areas and languages are covered including the US South Africa Israel and various European countries The chapters present novel data and insights regarding the role of dialectal variations on language and literacy from a wide range of countries and perspectives These insights have significant theoretical and practical implications A majority of literacy learners worldwide are taught to read and write in a language variety or a dialect that is not the same as their spoken language Not only is this the global norm but it is probably also the greatest obstacle to literacy learning This volume is the first published collection of papers on the role of dialect in language and literacy acquisition impairment and education in a variety of languages and situations across Europe the Middle East North America Africa and Asia The authors are pioneers in this field
