Have I Got Dogs for You! Anthony Linick, 2010-02-16 Have I Got Dogs For You continues its exploration of daily life in London's Paddington Recreation Ground The society pictured in this account is a unique one an ever changing kaleidoscope of dogs and their owners The dogs represent most of the popular breeds and many of the mutt like mixtures as so do their accompanying humans who come from diverse nationalities and from many walks of life professionals and job seekers young and old family members and loners They are united in their love of dogs and on the central green of the park on its walkways and at the caf where they gather after exercising their animals they often let this affection for dogs carry them into friendships that transcend park life and involve many of them in additional social activities The book is also the story of Fritz the Schnauzer and provides a daily record of his antics and the folkways of the rest of the crew human and canine Not only do we have an insight into the relationship of man and beast but a glimpse into London life as it experienced in the first decade of the 21st Century Such a life we know is full of struggles and tensions and these are certainly reflected in this chronicle and so is a lot of good canine fun

Who Wants It? Chris Henderson, Colin Ward, 2012-05-25 Chris Henderson formed the Chelsea Headhunters who later earned a reputation as the most dangerous fans in Britain as well as the band Combat 84 who with their punk attitude and uncut Orwellian lyrics represented the antithesis of middle class England After the jailing of Stephen Hickey Hickmott Henderson organised a gang of Chelsea fans

who travelled to matches by luxury coach with the aim of causing havoc and destruction They were finally arrested and their subsequent trial was meant to be the crowning glory of Thatcher s campaign to vanquish hooliganism Instead the dramatic collapse of the case sounded the death knell for all the undercover police operations and mass indiscriminate arrests that had been ordered by the authorities to squash the activities of Henderson and others The Ministry continued to pursue Henderson and prior to the 2002 World Cup he and Hickmott were named as the two leaders planning hooligan and criminal acts for the tournament in South Korea and Japan which culminated in Henderson being arrested and refused entry to Japan for the England v Argentina match Told in Henderson s exact words this is the dramatic story of an era of music and football when how you looked counted as much as how you performed With its depiction of events surrounding South Korea Japan 2002 Who Wants It also shows how the scourge of hooliganism continues to blight the beautiful game today **Dogs** Mark Bryant,2018-07-26 Handsomely produced All in all a quite absorbing collection an easy Christmas present and a perfect if bulky loo side read Jeremy Nicholas A wonderful selection of writing on dogs from Plato to Virginia Woolf and from ancient Egypt to twentieth century New York From beautiful lyrics to madcap waggy from Elizabeth Barrett Browning s adored lap dog Flush to Sir Arthur Conan Doyle s terrifying Hound of the Baskervilles and encompassing odes fables stories songs nursery rhymes and more Mark Bryant has compiled a wonderfully evocative collection of writing on all kinds of dogs by all kinds of authors Included are poems by Geoffrey Chaucer William Shakespeare Alexander Pope Jonathan Swift Rudyard Kipling Lord Byron William Wordsworth Robert Burns and more humorous pieces by Lewis Carroll Edward Lear Ambrose Bierce and Jerome K Jerome and other delights from writers as varied as Charles Dickens Charlotte Bront Christina Rossetti Anton Chekhov Mark Twain the Brothers Grimm Edith Wharton Johann Wolfgang von Goethe Louisa M Alcott Gertrude Stein Katherine Mansfield Robert Louis Stevenson George Eliot and Jack London amongst others Covering every genre from humour and fantasy to romance and horror and drawn from every part of the world these stories poems and excerpts from essays letters diaries and journals provide a collection to delight any dog lover **The Good Dog** Simon Rowell,2024-01-30 After gunshots echo through the summer night on Mount Macedon Detective Sergeant Zoe Mayer and her loyal service dog Harry race to the summit at first light What they find looks like a grisly murder suicide an alleged fraudster named Piers Johnson and his lawyer Antony Peterson both dead from bullet wounds a gun lying nearby Something about the scene doesn t stack up There are plenty of suspects but no one seems to be telling the truth Zoe s instincts are ignited as the pressure to find and charge the culprit becomes intense And that s when Peterson s teenage daughter Sarah is snatched off the street The Good Dog is Zoe s toughest assignment yet a murderous conspiracy of greed deceit and violence She knows that Harry may be her only chance to crack the case In his early days Simon Rowell worked on outback oil rigs managed nightclubs and was a tour guide in Central Australia Eventually he transitioned into a twenty year career in corporate branding Rowell is known as the author of several novels including The Long Game Wild Card and The Good Dog all part of the Zoe Mayer series

Going to the dogs Keith Laybourn, 2019-01-14 Greyhound racing emerged rapidly in Britain in 1926 but in its early years was subject to rabid institutional middle class opposition largely because of the legal gambling opportunities it offered to the working class Though condemned as a dissipate and impoverishing activity it was in fact a significant leisure opportunity for the working class which cost little for the minority of bettors involved in what was clearly little more than a bit of the flutter This book is the first national study of greyhound racing in Britain from its beginnings to its heyday in the 1930s and 1940s and up its long slow decline of the late twentieth century Much of the study will be defined by the dominating issue of working class gambling and the bitter opposition to both it and greyhound racing although the attractions of this American *Night Out* will also be examined [From Ink Lake](#), 1995 This highly acclaimed anthology is an unexpected and discerning mix of traditional short stories and untraditional tales as selected by one of Canada's most beloved writers Michael Ondaatje He has chosen 49 stories by a wide array of writers including Alistair MacLeod Margaret Laurence Carol Shields Dionne Brand Mavis Gallant Stephen Leacock Glenn Gould Alice Munro Rohinton Mistry David Adams Richards and many more Full of diversity and surprise these writings reveal the geographical emotional and literary range of the country Above all Michael Ondaatje's personal selection offers good reading and great entertainment
