## **Global Integrity Report On Azerbaijan:**

*Foreign Actors' Influence on Azerbaijan's Energy Policy* Tina Flegel, 2015-10-03 The author traces several energy policy decisions taken between 2006 and 2013 in Azerbaijan to find out how international actors tried to influence policy making The book facilitates understanding of the political mechanisms threats and opportunities that characterize activities in Azerbaijan's energy sector illustrating strategic pitfalls and chances Based on a detailed country analysis and the in depth comparison of four policy cases the book deduces the political elite's rationale and its practical consequences for transnational relations It is relevant for scholars studying the political economy of rentier states and regimes in the authoritarian realm as well as for young strategists in organizations that conduct business in countries dominated by tight informal networks *Azerbaijan Mineral, Mining Sector Investment and Business Guide Volume 1 Strategic Information and Regulations* IBP USA, 2013-08 Azerbaijan Mineral Mining Sector Investment and Business Guide Strategic and Practical Information *Asymmetric Environmental Governance in Azerbaijan* Agshin Umudov, 2021-09-14 This book examines why authoritarian governments are willing to address environmental problems that have an international impact such as CO2 emissions but are reluctant to address problems that have only a domestic impact In a case study of Azerbaijani oil politics it demonstrates how the incumbent Azerbaijani regime has taken important measures trying to address CO2 emissions while ignoring the damage caused by oil pollution on the Caspian coast The book argues that resource rich authoritarian governments are eager to join international environmental initiatives to improve their image but they address domestic environmental issues mainly if they threaten their hold on power This book is an important contribution to scholarship on environmental governance in the post Soviet space an area that is poorly researched Therefore it is a must read for researchers and scholars interested in post Soviet studies as well as in the nexus between mineral rich regions and how social policy is created e.g. environment education and healthcare In addition this book will be of tremendous importance for policymakers and international organizations as it looks into the motivation of authoritarian states in the post Soviet space for environmental measures *Global Corruption Report 2008* Transparency International, 2008-06-26 The Global Corruption Report examines corruption in the water sector documents worldwide corruption related developments and presents research projects on corruption *The Corruption Notebooks 2009* Global Integrity, Hazel Feigenblatt, 2011 *Promoting Integrity* A.J. Brown, Carmel Connors, 2017-03-02 What are the right institutional settings and strategies for ensuring honesty and accountability in public life How do these settings and strategies relate to one another and how do we know what is working and what is missing from the whole complex tapestry Taking Australia as a case study that is relevant to all countries where public integrity is an issue this book offers some new answers to these larger questions The collection reviews a variety of existing efforts to understand map and evaluate the effectiveness of integrity policies and institutions not just in the government sector but across all the major institutions of modern society It will be of interest to those in

governance politics law and public policy      *The Corruption Notebooks 2006* Jonathan Werve, Global Integrity, 2007

Corruption is everywhere Countries worldwide from the richest to the poorest are infected by it But things are never quite as they seem and no two countries suffer from corruption in the same way The Corruption Notebooks are stories told by local journalists of how countries are struggling daily to rein in graft and protect the public interest The authors are among the world s best journalists examining the politics of their home countries as no one else can The Corruption Notebooks are a product of Global Integrity an award winning network of researchers and journalists working to provide independent insights into corruption and governance issues worldwide Formally launched in 2006 Global Integrity has field staff in over 70 countries      *Trends in Corruption and Regulatory Burden in Eastern Europe and Central Asia* The World Bank, 2011-01-06

Historically countries of Eastern Europe and Central Asia have faced a number of obstacles in their transition to democracy and market based economies These obstacles include higher levels of corruption and greater administrative and regulatory burdens as they pass laws and implement programs to combat corruption and promote private sector development This report uses the results of the most recent Business Environment and Enterprise Performance Survey BEEPS to examine trends in corruption and administrative burden of regulations on private sector firms in 29 Eastern European and Central Asian countries The results show overall positive trends in the Eastern Europe and Central Asian region in terms of incidence of corruption and the burden placed on private sector firms by administrative and other regulations The most notable and definitive finding from the 2008 BEEPS is a continuation in the favorable trend regarding firms payment of administrative bribes Across the region there has been progress made in the perceptions of bribery and unofficial payments Frequency of bribe paying fell significantly in the areas of taxes customs and imports and courts for the region overall and in most countries The report examines several factors that influence the level of administrative corruption including regulatory burden strength of anti corruption legislation and income among others Results show that countries with greater capacity to enforce and implement anti corruption measures are less likely to have high levels of corruption and incidence of graft The results presented in the report show that countries of Eastern Europe and Central Asia are no longer facing higher corruption or regulatory burden than firms in comparable non transition countries      **Countries and Territories of the World ,      International Handbook on Whistleblowing Research** A J Brown, D Lewis, R Moberly, W Vandekerckhove, 2014-08-29 Featuring contributions from scholars and policy practitioners in a number of diverse fields \_ including sociology political science psychology information systems media studies business management criminology public policy and several branche      [Arab States Investment and Business Guide Volume 1 Arab League Countries Investment Climate and Opportunities](#) IBP USA,      **Israel Country Study Guide Volume 1 Strategic Information and Developments** IBP, Inc, 2012-03-03 Israel Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments      **Italy Taxation Laws and Regulations Handbook Volume 1 Corporate Taxation:**
