Barrett, 2013-01-15 The Glock pistol is America's Gun It has been rhapsodized by hip hop artists and coveted by cops and crooks alike Created in 1982 by Gaston Glock the pistol arrived in America at a fortuitous time Law enforcement agencies had concluded that their agents and officers armed with standard six round revolvers were getting outgunned by drug dealers with semi automatic pistols they needed a new gun With its lightweight plastic frame and large capacity spring action magazine the Glock was the gun of the future You could drop it underwater toss it from a helicopter or leave it out in the snow and it would still fire It was reliable accurate lightweight and cheaper to produce than Smith and Wesson's revolver Filled with corporate intrigue political maneuvering Hollywood glitz bloody shoot outs and an attempt on Gaston Glock's life by a former lieutenant Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public but also a compelling chronicle of the evolution of gun culture in America The Counter Terrorist Manual Leroy Thompson, 2009-10-19 A comprehensive guide to counterterrorism units around the world and their recruitment training weapons equipment tactics and missions In the past thirty five years counterterrorist units have been deployed to deal with airplane ship train and bus hijackings They have rescued hostages in various types of buildings and have dealt with barricaded bank robbers prison rioters and assorted dangerous criminals Thousands have been rescued and millions have been safer because terrorists were aware that elite antiterrorist units were poised to act should they take hostages Following the September 11th attack on the World Trade Centre the mission of many anti terrorist units has expanded Some units now track terrorists to their lairs in other countries and strike them there Despite the significant and growing role of these units little is known about the way they operate The selection training structure and principles of maintaining such units together with basic theories of asymmetric warfare are the subject of Thompson's latest work In a practical step by step guide he analyses the necessary organization of such elite teams the arming and equipping of units and methods for a variety of

missions from hostage rescue and high level dignitary protection to securing foreign embassies and counter WMD strikes

Open the pages of this book and enter the world of the counterterrorist operator Praise for The Counter Terrorist Manual A finely illustrated guidebook to antiterrorist units deployed to handle airplane ship train and bus hijackings Units around the world are examined in a survey of these elite antiterrorist units and their operations a pick for any military library and packed with color photos of equipment and more Midwest Book Review

Beginners Guide to the Sig Sauer P320 Handgun Cameron Michaels, 2024-12-11 The Sig Sauer P320 is one of the most revolutionary firearms in recent history captivating both military and civilian gun enthusiasts worldwide It is a pistol that has earned a place at the top of the firearms industry transforming the way people view modular design and performance in handguns From its impressive adoption by military forces to its popularity in law enforcement personal defense and competitive shooting the P320 has become a versatile tool with immense appeal The story of the Sig Sauer P320 is rooted in the innovative spirit that has defined Sig Sauer for decades Known for their dedication to quality and precision Sig Sauer s engineers set out to design a pistol that would not only meet the needs of military and law enforcement but also push the boundaries of what was possible in handgun design In the P320 they succeeded creating a platform that is both adaptable and customizable while offering exceptional performance and durability This preface serves as an introduction to a deeper exploration of the P320 from its origins to its widespread adoption and its future as a cutting edge firearm For those who are familiar with Sig Sauer s history the P320 represents the culmination of years of expertise in firearm manufacturing Sig Sauer originally a Swiss company has built a reputation for crafting firearms that are both reliable and accurate Their reputation for quality dates back to the early 19th century and over the years they have become a trusted brand in the firearms community However the P320 broke new ground in a way that previous models did not With its modularity adaptability and forward thinking design the P320 stands as a landmark in firearm engineering The key feature that sets the P320 apart from other pistols is its modularity Unlike traditional handguns which require a complete redesign to change features such as grip size caliber or barrel length the P320 allows the user to easily swap out components such as the frame slide and barrel This level of customization ensures that the P320 can fit a wide range of shooters from those with smaller hands to those with larger hands and from those who prefer a smaller caliber to those who favor a larger one This feature coupled with the P320 s ergonomic design and exceptional performance has made it an ideal choice for both civilian and military use Another defining characteristic of the P320 is its trigger mechanism Sig Sauer developed a striker fired system that offers a clean and crisp trigger pull which contributes to the accuracy and reliability of the firearm Over the years the P320 has garnered a reputation for its superior performance even in harsh conditions Whether used in military operations law enforcement duties or recreational shooting the P320 consistently delivers outstanding results However the P320 s success has not come without its controversies While it has been widely praised for its innovation and design it has also faced scrutiny particularly regarding its safety features Some have raised concerns about the firearm s drop safety which has led to recalls and design adjustments In this eBook we will examine these concerns providing a balanced view of

the P320's strengths and weaknesses. It is important to understand that even the best designed firearms are subject to real world testing and potential flaws and Sig Sauer's commitment to addressing these challenges is part of what makes the P320 a trusted name in the industry. Throughout this eBook we will delve deeper into these key areas examining the development features and impact of the Sig Sauer P320. Whether you are a first time firearm owner or an experienced shooter this guide will provide valuable insights into one of the most influential handguns of our time. 18 Bravo Handbook Christian Hoyt, 2021-06-24. The purpose of this book is to give ChristaEURcentered believers an objective look at how a community of believers has the ability to not just survive in the roughaEURandaEURtumble times that a postaEURfinancialaEURcollapse world will inevitably lapse into but actually thrive. ChristaEURcentered leadership is the key. Honoring God the Father and His Son Yeshua in all aspects is something that the author strove to hear God's leading on from start to finish. Over the last twenty years many books, articles and movies have been written and filmed about the postapocalyptic world both fiction and non fiction howaEURto centering on what to do and how to do it. Most if not nearly all have focused on a few major topics with perhaps another one or two side issues. In this book the author has endeavored to cover as many facets as possible that will come into play as given to him by God's Spirit. Financial collapse, firearms selfaEURdefense, breakdown of law and order, cannibalism, barter, invasion by the UN, the setting up of a retreat, basic survival skills and medical care by amateurs have all been covered in other works and usually quite well. But as they say on TV wait there's more much much more. Also woven into this work are torture, suicide, homosexuality and the subsequent deliverance from it along with the very real probability of Islamic terrorism. Then we get to for the most part the forgotten wild cards: a command structure for the leadership, unparalleled cataclysmic geological upheaval, pandemic outbreak, the setting up of a city of refuge for God's people and without question the most neglected yet far and away most important deciding factor in all this: the last days move of God. Mix all these factors together and there we will find ourselves in uncharted waters. S.T.O.P. James Moclair, 2022-04-28. For several years now the world as we know it had completely changed. This was because of the Covid 19 virus. With this in mind Brian Jameson and his family had held back on taking a holiday abroad for quite a few years. B J as he was known to all his friends decided with his twenty fifth wedding anniversary just around the corner he would surprise his wife Shelia and book an all inclusive ten day holiday to the Canary Island of Tenerife. For B J and Shelia this will be the holiday of a lifetime and a chance for some fun in the sun and a nice bit

of romance And the icing on the cake was this was the first time they were going on holiday without their now two grown up girls What B J and the world weren t prepared for happened after only one day and night into the Jamesons idyllic holiday In short Tenerife became an absolute killing field and mysteriously the majority of the murders were committed by tourists It turned out Tenerife was just a testing ground Soon another country would become the target of bizarre weather events that pushed the boundaries of the laws of physics and even crossed into the paranormal realm Out of the ashes of the catastrophe that not only destroyed B J s but everyone s lives who were on the island Tenerife an odd alliance was also formed More bizarrely this alliance was between B J a physics lecturer a gangland boss a spiritualist and various government departments from around the world For B J and his team they knew the clock was ticking Globally bodies were stacking up and soon without intervention this unknown force would be unstoppable *The Hong Kong Contract* Edward Albany,2001-07-20 Bill Jedburgh is a former Royal Hong Kong Police Inspector trained as a sniper and bodyguard Disenchanted with the Force he has resigned and encouraged by a dubious entrepreneur takes up a new occupation as an anonymous freelance hitman called The Reliable Man Relaxing at his beachfront property in Thailand he hears that one of his old police buddies has been killed under weird circumstances Soon the Singapore Intelligence Service is knocking on his door demanding that he look into the matter and take whatever action may be necessary *Book of Glock* Robert A.
