Gaal, 2022-02-17 After Christina breaks the Fifth Commandment strange things begin to happen and take her away from home in Normal Illinois Now she's back and has to tell them the story within a story but how can she make them believe So she had made a mistake but didn't all teenagers do the same thing The Fifth Commandment is a supernatural memoir entwined with a plot drenching with old fashioned religious guilt and short enough to finish in a single sitting perhaps lounging by the pool or sitting in the garden The novella follows Christina into a confessional and starts at what we would consider our weakest point The point when we first admit our sin      **Glorious Incorporated** Steven Neil Moore, 2020-04-10 Pilgrim's Progress meets Tom Clancy Kirkus Reviews After landing his dream job at Jonah International young Joshua Arden moves to New York City determined to leave his troubled past behind But behind the scenes a darker power is at play and soon Joshua enters a world of religious orders advanced technology and long hidden secrets He is the key to winning a war that has been raging for centuries Can Joshua rise to the occasion and become the champion of the light NOTE This is the large print edition of Glorious Incorporated with a larger font typeface for easier reading Praise The combination of action corporate intrigue and battle of good against evil was very satisfying I really enjoyed this book Steven Neil Moore has created interesting characters and a terrific story line A great read      **Glorious Incorporated** Steven Neil

Harold E. Petersen,2022-07-25 The Word of God the Bible has been a vital part of my life We had family devotions I went to Sunday school and memorized verses In confirmation we studied the Bible and catechism And worship texts from the Old Testament Epistles and gospels were read every Sunday These continue to draw me into the Word I was in high school when I began to read the Bible through in a year As I would read I would mark verses that had special meaning for me Some chapters were so

full of gems of truth that I chose several The Books of History reveal to us the record of the acts of the Lord God with his people the family of Jacob or Israel The history begins as they cross the Jordan conquered the land We read of the troubles during the time of the Judges We follow the reigns of kings Saul David and Solomon We sense the distress of the divided kingdom and the time of exile These books are important to our life of faith The details were written down so that we can avoid the same sins I am drawn to the magnificence of our God s grace as he forgives the sins of the people and calls them to obey
