More Than Heaven T. Jeff Taylor,2022-06-10 The Protestant church has wrestled since the time of the Reformation with how believers can be saved by grace but rewarded in degrees based on their works Though some through the years have argued that the Scriptures don t actually teach differing degrees of reward this has been the predominant view This book takes the minority view Believers are saved by grace alone through faith alone and the believers rewards and glorification are based on the finished work of Christ alone It is grace from start to finish The church is the bride of Christ and in the end all that is his is hers

The Original Sin and Human Diseases Hanna Rizk Wannas MD FRCS ED FICS,2014-01-30 This text is unique it is the first book of its kind that challenges the theory of evolution by the word of God In the text it will be proved beyond doubt that the word of God is powerful with a two edged sword It divides asunder and exposes the counterfeit and the false Not only that but it proves the validity of the arguments by using medical and surgical studies of the patients ailments The author is a scientist and a surgeon He studied anatomy and embryology in full details that makes him argue with confidence The doctrine of creation has a solid foundation which is the true word of God The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man whose knowledge is based on the theory of evolution These have changed the procedures from difficult and complicated to a single day procedure with financial gains to the patient and to the public The relation between sin diseases and death is studied and proved beyond doubt The salvation by justification sanctification and righteousness is explained and also proved beyond doubt Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard but this usually brings low moral value with it that at the end lead to death from moral decay alcoholism and drug addiction The evolution is produced by knowledge and experience and it carries with it away from God all the destructive elements to humans *A Handbook of Theology* Dr. Daniel L. Romans Andrew Ollerton, 2023-02-16 On all my travels if I had the Gospels Paul's letter to the Romans and Andrew Ollerton's book I would need nothing else Sir David Suchet With his trademark straightforward teaching style Andrew Ollerton guides readers through Romans one of the most theologically complex books of the Bible to discover how an understanding of Paul's longest letter unlocks the whole story of Scripture and helps us make sense of life It's been said that if the New Testament were the Himalayas Paul's Epistle to the Romans would be Mount Everest The chapters of this book therefore imagine the contents of the letter as a great mountain landscape complex challenging but highly rewarding Together we will take on the challenge of ascending to the summit taking in the view and then descending to put it into practice on the other side Readers will not only come away with a greater understanding of Romans but as invigorated disciples equipped for the adventure of life and faith and emboldened to share

the Gospel with others Each chapter includes suggested Bible readings and questions for reflection making this book a great choice for devotional reading Romans is a perfect follow up read for fans of Andrew s first book The Bible those who ve completed Bible Society s The Bible Course or the Alpha course
