Manual ,1993 Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations

Jasmin Sültemeyer,2021-07-05 As striking counter intuitive and distasteful as the combination of children and anxiety may seem some of the most popular children s classics abound in depictions of traumatic relationships bloody wars and helpless heroes This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition as it stands out in Golden Age novels from both sides of the Atlantic and their present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and highlights the necessity to approach children s entertainment more seriously and more sensitively than it is generally the case

Understanding Media Semiotics Marcel Danesi,2017-03-23 Media semiotics is a valuable method of focusing on the hidden meanings within media texts This book offers students an in depth guide to help them investigate and understand the media using semiotic theory It assumes little previous knowledge of the field avoiding jargon and explaining the issues step by step The two basic features of the methods used are the historical study of media and their genre and the analysis of the meaning structures that such genres encode Semiotic analysis is sometimes seen as complicated and difficult to understand Marcel Danesi shows that on the contrary it can be readily understood and can greatly enrich students understanding of media texts from print media right through to the internet

Media Ethics Clifford G. Christians,Mark Fackler,Peggy J. Kreshel,William J. Brown,Yayu Feng,Holly K. Overton,Kathy Brittain Richardson,2024-06-26 Through original case studies and analyses of real life media experiences Media Ethics challenges readers to think analytically and critically about ethical situations in mediated communication This textbook provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating awareness and critical reflection of ethical issues In each chapter the authors examine case studies spanning several continents and geopolitical and cultural contexts To provide a framework for analyzing the cases and exploring the steps in moral reasoning the book introduces the Potter Box a powerful tool for moral analysis Focusing on a wide range of ethical issues faced by media practitioners and news organizations the cases in this new twelfth edition include the most prominent concerns in journalism broadcasting advertising public relations and entertainment today It explores new topics such as the use of ChatGPT in newsrooms the privacy implications of biometric technologies the role of public relations in political campaigns and advertisers approach to sustainability and climate change This core textbook is ideal for classes in media and communication ethics journalism public relations advertising entertainment media and popular
