**Railroad Commission of the State of
California**

Good For One Ride:

Cincinnati on the Go Allen J. Singer, 2004-10-20 Cincinnati on the Go explores the various modes of transportation that helped people get around in the first half of the 20th century providing a unique view of the Queen City through the eyes of her everyday commuters This volume features historic images of river transportation street railways city buses steam railroads the first automobiles and wonderful rare street scenes Author Allen J Singer expands on the transportation photographs in the previously released The Cincinnati Subway inviting the reader up and out of the abandoned subway tunnels and on a visual tour through the historic streets of the Queen City on her riverboats streetcars cable cars railroads interurbans and buses Smile Alan A. Siegel, 1995 Under the fifty year reign of Newark brewer Henry A Guenther millions of men women and children passed under the signs Smile and Learn to Play into what the legendary beer baron called a little bit of Coney Island the circus an old fashioned beer garden and Monte Carlo rolled into one With its myriad games attractions performances and restaurants it was impossible to walk away from the park unsatisfied and not wishing for a return **Salem, NH, Volume II** Douglas W. Seed, Katherine Khalife, 1996-08-01 The clang of the first trolley bell in 1902 signaled the beginning of a century of excitement and celebrity that would transform the tiny town of Salem New Hampshire into a recreation destination for millions With the trolley company's opening of Canobie Lake Park in August 1902 and Bet a Million Gates's big gamble on Rockingham Park in 1906 New Englanders regardless of age ethnicity or social status now shared a recreational common denominator At Canobie Lake Park generations played met danced and fell in love Rockingham Park brought world class horse and auto racing the nation's first modern lottery and a parade of Hollywood's biggest stars The two parks hold fond memories for the millions who have passed through their gates and for the thousands who have worked there over the years their jobs at Canobie and Rockingham are often the ones they most fondly remember

Decisions of the Railroad Commission of the State of California Railroad Commission of the State of California, 1913 Silver Lake Park Mary L. McClure, 2014 From modest beginnings as a local swimming and fishing spot Silver Lake Park established by Ralph H Lodge in the 1870s quickly grew to become one of northeast Ohio's most popular amusement parks Thanks to its many exciting offerings which included two roller coasters a miniature railway a merry go round a dance pavilion water toboggans steamboat rides live animal exhibits and many other unique features the park attracted up to 10 000 to 20 000 visitors a day from across Ohio and surrounding states Always anxious to add new and thrilling attractions to the park the Lodge family also introduced features described as the first public aquarium in the state of Ohio and the first aviation field in Summit County In later years the park added a popular Chautauqua bringing the leading musical acts entertainers and orators of the day to the community **Electric Railway Journal**, 1910 Amusement Parks Jim Hillman, 2013-05-10 From Jones's Woods America's first amusement resort to Coney Island during the golden age of the mid 1900s and well beyond into the twenty first century the thrills of the amusement park have been a treasured part

of childhood for Americans from coast to coast Though many of the country s grand amusement treasures have now vanished and many other parks are struggling for survival their memory and legacy are very much alive there will be a fascination with these American classics as long as the clatter of the old coaster cars and the thumping of the carousel band organ remains Through thoroughly researched text and historic images Amusement Parks author and park enthusiast Jim Hillman captures the sights smells and continuing vitality of a grand American tradition The Technologist, Or Industrial Monthly ,1871
