Justin Lewis-Anthony,2008-11-13 Unlike Bosch's better known fantastical proto surrealist paintings Christ Mocked is small still and sombre and yet with a little effort of knowledge and interpretation it reveals a depth of understanding of both the Passion and of human nature that speaks as much to the twenty first century as it did to the sixteenth By exploring the political scientific psychological and devotional world of early modern Europe and applying those insights to our own time the author shows how Bosch used his sophisticated artistic skills to convey a similarly sophisticated understanding of humanity In Christ Mocked a painting 500 years old but passionately modern Christ's Passion is so portrayed as to make us reassess the cosmic significance of Christ's death and its profound implications for what we think it means to be human

Wortham Offie Wortham, PhD, **Imagining the Turkish House** Carel Bertram, 2008-08-01 Houses can become poetic expressions of longing for a lost past voices of a lived present and dreams of an ideal future Carel Bertram discovered this truth when she went to Turkey in the 1990s and began asking people about their memories of the Turkish house The fondness and nostalgia with which people recalled the distinctive wooden houses that were once ubiquitous throughout the Ottoman Empire made her realize that the Turkish house carries rich symbolic meaning In this delightfully readable book Bertram considers representations of the Turkish house in literature art and architecture to understand why the idea of the house has become such a potent signifier of Turkish identity Bertram's exploration of the Turkish house shows how this feature of Ottoman culture took on symbolic meaning in the Turkish imagination as Turkey became more Westernized and secular in the early decades of the twentieth century She shows how artists writers and architects all drew on the memory of the Turkish house as a space where changing notions of spirituality modernity and identity as well as the social roles of women and the family could be approached contested revised or embraced during this period of tumultuous change

Zanzibar Chris McIntyre, Susan McIntyre, 2013 Both evocative and magical Zanzibar offers travellers the quintessential Indian Ocean experience palm fringed coastlines powder white sand and colourful aquatic life Passionate about detail Chris and Susan McIntyre have carried out extensive on the ground research in producing this updated edition There has been significant growth in the number of hotels lodges and guesthouses on all three main islands since the last edition and consequently the accommodation listings have increased significantly notably in Zanzibar Town Stone Town Matemwe Michamvi Peninsula and Mafia island They visited all the accommodation listed With almost 300 properties featured many are newly built and the vast majority spanning all budget levels do not feature in any other guide on the market Each entry has a detailed description with a strong emphasis on guiding readers to the most ethical options Zanzibar goes into far
