The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Connect the Dots: The Collective Power of Relationships, Memory and Mindset Nina Dibner, Tricia Taylor, 2019-09-27 We are spoiled for choice. Educational research abounds, and countless teaching tips and trends are available at our fingertips. Where do you start? Connect the Dots presents three key interconnected areas of focus that will have the most impact on teaching and learning: 1. Building Strong Relationships: creating a sense of belonging, establishing norms, and high expectations, and understanding barriers like unconscious bias and misconceptions in order to break them down. 2. Maximising Memory: managing cognitive load using effective learning strategies, planning for long-term retention, and application of knowledge. 3. Cultivating Learning Mindsets: building self-efficacy, developing metacognitive skills, and using feedback, goal setting, and talk effectively. Each of these three chapters lays out the research worth knowing and applies that research to ready-to-use teaching tools for real classrooms. The chapters conclude with detailed guides to support leadership in creating personalised professional learning sessions to turnkey these concepts to school staff. Connect the Dots is a book

for educators by educators Conceived by lead author Tricia Taylor who started as a teacher in the US but has been teaching in UK schools for nearly two decades as well as running her consultancy Tailored Practice and co authored by Nina Dibner a veteran US educator and founder of PowerTools an American educational consulting firm Connect the Dots offers a transcontinental lens Illustrated by Oliver Caviglioli the graphics and layout make the book incredibly accessible and a joy to read
