Connecting Past and Present Ira Harkavy, Bill M. Donovan, 2023-07-03 The question that animates volume 16th in the Service Learning in the Disciplines Series is Why connect service learning to history courses The contributors answer that question in different ways and illustrate and highlight a diversity of historical approaches and interpretations All agree however that they do their jobs better as teachers and in some cases as researchers by engaging their students in service learning An interesting read with a compelling case for the importance of history and how service learning can improve the historian's craft
