Unsettled Issues Regarding Autonomous Vehicles and Open-source Software Rahul Razdan, 2021-04-21 As automobiles morph from stand alone mechanical objects to highly connected autonomous systems with increasing amounts of electronic components, to manage these complex systems some semblance of in car decision making is also being built and networked to a cloud architecture. This cloud can also enable even deeper capabilities within the broader automotive ecosystem. *Unsettled Issues Regarding Autonomous Vehicles and Open source Software* introduces the impact of software in advanced automotive applications, the role of open source communities in accelerating innovation and the important topic of safety and cybersecurity. As electronic functionality is captured in software and a bigger percentage of that software is open source code, some critical challenges arise concerning security and validation. <https://doi.org/10.4271/EPR2021009>

Exploring Internal Communication Kevin Ruck, 2019-12-06 Exploring Internal Communication has long been the go to publication for internal communication, public relations and human resources practitioners who want their practice to be grounded in research and guided by evidence based advice. The new fourth edition has been comprehensively updated throughout to reflect the latest thinking in internal communication. Notably the use of social media within organisations is explored in depth in recognition of

the increasing integration of digital platforms A greater understanding of the different communication roles played by line managers and senior managers is emerging and this is reviewed to help managers understand what is expected of them and how to succeed as they communicate with employees And the demands of channel management are becoming increasingly complex this edition helps practitioners negotiate this challenge Enriched with models tips and case studies this book is an indispensable tool for both students and practitioners alike *Consumer Studies* Margaret E.
