Sri Lanka Education Sector Assessment Halil Dundar,Benoit Millot,Michelle Riboud,Mari Shoji,Harsha Aturupane,Sangeeta Goyal,Dhushyanth Raju,2017-06-16 A country s education system plays a pivotal role in promoting economic growth and shared prosperity Sri Lanka has enjoyed high school attainment and enrollment rates for several decades However it stillfaces major challenges in the education sector and these challenges undermine the country s inclusivegrowthgoal and its ambition to become a competitive upper middle income country The authors of Sri Lanka Education Sector Assessment Achievements Challenges and Policy Options offer a thorough review of Sri Lanka s education sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka s education system performing especially with respect to

participation rates learning outcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into account both country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policy options to address them To attain inclusive growth and become globally competitive Sri Lanka needs to embark on integrated reforms across all levels of education These reforms must address both short term skill shortages and long term productivity As Sri Lanka moves up the development ladder the priorities of primary secondary and postsecondary education must be aligned to meet the increasingly complex education and skill requirements

The Routledge Handbook of the Economics of Education Brian P. McCall, 2021-12-30 The economics of education is a burgeoning area of study employing increasingly sophisticated analytical tools to answer questions with high societal impact Thus the aim of this handbook is to provide readers with an up to date overview of the current state of the field of the economics of education and its main areas of research This comprehensive handbook provides an authoritative overview of key theoretical and policy areas covering topics like econometric methods for education economics returns to education competition in education provision education and economic growth and education and inequality It reviews the current state of research from early childhood through postgraduate education as well as adult education and life long learning Offering a truly international perspective the handbook benefits from a global group of contributors and attention to both developed and developing country contexts The Routledge Handbook of the Economics of Education will be a valuable resource for advanced students researchers and policymakers across economics education and public policy

The European External Action Service and National Foreign Ministries Rosa Balfour, Caterina Carta, Kristi Raik, 2016-02-11 Based on extensive empirical work by a cross European group of researchers this book assesses the impact of the creation of the European External Action Service EEAS on the national foreign policy making processes and institutions of the EU member states As such the contributions cover both the involvement of the national diplomatic and foreign policy actors in shaping the outlook of the EEAS and its mission as well as the changes or not it has produced for those actors of the member states The analysis draws in theoretical frameworks from Europeanization and socialization but also from intergovernmental frameworks of policy making within the European Union An introduction by the editors outlines the issues and trends examined in the book and establishes the theoretical and methodological framework Split into 2 sections Part I EEAS and national diplomacies as part of global and European structures has contributions by Richard Whitman Rosa Balfour Christian Lequesne Caterina Carta and Simon Duke Part II National diplomacies shaping and being shaped by the EEAS is covered by Daniel Fiott Fabien Terpan Cornelius Adebahr Andrea Frontini Ignacio Molina and Alicia Sorroza Laura C Ferreira Pereira Alena Vysotskaya G Vieira and Louise van Schaik Grzegorz Gromadzki Mark Rhinard Jakob Lewander and Sara Norrevik Sabina Kajnc Lange Ruby Gropas and George Tzogopoulos Vit Bene and Kristi Raik This book is

much needed especially in an era when the EU is trying to pull its weight in the international sphere e g Syria Iran the Arab Spring Chinese relations and emerging powers but also at a time when the EU is trying to recalibrate its institutional structure in light of the current financial predicaments and questions on the democratic legitimacy of the European project
