

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and satellites they could build?	They would certainly produce satellites that were better. They could improve delivery of aid.	They might develop better in case of emergencies, but they didn't know enough about them. They didn't know enough about, planned program for removal of German (Soviet) missiles from
3. Would anyone disagree with this?	Not really.	Some people in Soviet Union, but not Americans and other Europeans.
4. Would the U.S. government agree to build rockets and satellites?	Yes, the government could do it. They would be a national priority.	Yes, American people were interested and would not take a backseat to the Soviets.

2. Suppose the agreement simply to stop building new missiles.

What would the Soviets make of this?

They would think that was going to make them

stronger because the government the Soviets were making

the Soviet Union they were that got more and more strong.
