Guitar for Beginners Louise Varady, 2020-11-27 It wasn't because I was slow or bad at guitar Neither was it because I practiced less I was simply misguided like every other person to ever pick up the guitar I took the traditional method of learning where you learn all the chords and all the theory behind it before you get to the fun part This also involves months of practice and learning boring theory This book is here to end that to simplify things to make things so simple that you'll be playing your first melody on day 1 and your first song within 7 days
