Modern Heroics Hakim J. Lucas, Herman J. Felton, 2022-05-01 It is said that crisis is the true test of a leader The leaders who contributed to this volume and their peers at HBCUs nationwide were tested in unprecedented ways by the events of 2020 and 2021 The crisis caused by COVID 19 was unique in its wide ranging effects its duration and the need for a multi pronged and comprehensive response This was a test to challenge even the strongest leaders Accustomed to challenges and to adversity the leaders of our nation's HBCUs stepped up marshalled their forces and developed and implemented plans to mitigate and to combat the impact of COVID 19 on their institutions and on African American higher education While each president who contributed to this volume brought their own unique perspective skills and experience to the crisis on their particular campus they confronted common challenges Racial disparities in the United States affect every aspect of life and the pandemic magnified and exacerbated those disparities The racial disparities that we see in our health and health care in this
