The Tell Matthew Hertenstein, 2013-11-12 Every day we make predictions based on limited information in business and at home Will this company s stock performance continue Will the job candidate I just interviewed be a good employee What kind of adult will my child grow up to be We tend to dismiss our predictive minds as prone to bias and mistakes but in The Tell psychologist Matthew Hertenstein reveals that our intuition is surprisingly good at using small clues to make big predictions and shows how we can make better decisions by homing in on the right details Just as expert poker players use their opponents tells to see through their bluffs Hertenstein shows that we can likewise train ourselves to read physical cues to significantly increase our predictive acumen By looking for certain clues we can accurately

call everything from election results to the likelihood of marital success IQ scores to sexual orientation even from flimsy evidence such as an old yearbook photo or a silent one minute video Moreover by understanding how people read our body language we can adjust our own behavior so as to ace our next job interview or tip the dating scales in our favor Drawing on rigorous research in psychology and brain science Hertenstein shows us how to hone our powers of observation to increase our predictive capacities A charming testament to the power of the human mind The Tell will to paraphrase Sherlock Holmes show us how to notice what we see **Good, Better, Best!** Esther Joos Esteban,2017-03-31 Mothers and fathers are the original human resource managers Whatever the era or circumstances their challenges remain constant to pass on a legacy of positive work attitudes and habits to their children In Good Better Best author Esther Esteban focuses on five work related habits diligence order responsibility cooperation and cheerfulness These are the building blocks of good work that take time and considerable training to develop When they are practiced naturally quickly constantly and with ease they evolve into stable qualities of the human personality virtues Motivating children to do their work school work play household chores hobbies sports and to sustain and complete tasks well are the challenges of parents caregivers and teachers This sequel to The Work of Children is an inspirational guide to help them in that process **Applied Psycholinguistics and**
