The End of the Myth Greg Grandin,2019-03-05 WINNER OF THE PULITZER PRIZE A new and eye opening interpretation of the meaning of the frontier from early westward expansion to Trump s border wall Ever since this nation s inception the idea of an open and ever expanding frontier has been central to American identity Symbolizing a future of endless promise it was the foundation of the United States belief in itself as an exceptional nation democratic individualistic forward looking Today though America has a new symbol the border wall In The End of the Myth acclaimed historian Greg Grandin explores the meaning of the frontier throughout the full sweep of U S history from the American Revolution to the War of 1898 the New Deal to the election of 2016 For centuries he shows America s constant expansion fighting wars and opening markets served as a gate of escape helping to deflect domestic political and economic conflicts outward But this deflection meant that the country s problems from racism to inequality were never confronted directly And now the combined catastrophe of the 2008 financial meltdown and our unwinnable wars in the Middle East have slammed this gate shut bringing political passions that had long been directed elsewhere back home It is this new reality Grandin says that explains the rise of reactionary populism and racist nationalism the extreme anger and polarization that catapulted Trump to the presidency The border wall may or may not be built but it will survive as a rallying point an allegorical tombstone marking the end of American exceptionalism

Teaching with Dystopian Text Michael Arthur Soares,2023-10-10 Teaching with Dystopian Text propounds an exchange of spatial to pedagogical practices centered around Orwellian Spaces signaling a new utility for teaching with dystopian texts in secondary education The volume details the urgency of dystopian texts for secondary students providing theoretical frameworks classroom examples and practical research The function of dystopian texts such as George Orwell s 1984 as

social and political critique is demonstrated as central to their power Teaching with Dystopian Text Exploring Orwellian Spaces for Student Empowerment and Resilience makes a case that dystopian texts can be instrumental in the transfer of spatial practices to pedagogical practices Pedagogical application creates links between the text and the student through defamiliarization connecting the student to practices of resistance in the space of the classroom The volume also addresses the challenges of teaching dystopian text in a dystopian educational climate including the COVID 19 lockdown In addition to appealing to scholars and researchers of literacy education language education and dystopian text this book will also be a powerful yet accessible resource for secondary teachers as they address dystopian concerns with students in the complicated twenty first century *The Hunger Games* Joyce Friedland,2011-01-01 Use Novel Ties study guides as your total guided reading program Reproducible pages in chapter by chapter format provide you with the right questions to ask the important issues to discuss and the organizational aids that help students get the most out of each book they read **Introduction to Film** Nick Lacey,2016-04-28 This core textbook offers a concise yet complete introduction to film responding to shifts in the medium while addressing all of the main approaches that inform film studies The rise of on demand internet based video has transformed the way films are distributed and exhibited with many previously unobtainable and obscure films becoming available for global audiences to view instantly Interweaving historical and current theoretical approaches Nick Lacey presents a tightly focused and coherent overview of a discipline in transition which can be read cover to cover or in distinct chapters With its original narrative line and student oriented philosophy the text greatly enriches student s appreciation of cinema while equipping them with the essential skills and vocabulary to succeed in film studies This is an ideal foundational text for all lecturers undergraduate or A level students of film and cinema studies as well as enthusiasts of film and cinema looking for a comprehensive guide New to this Edition Content reflecting the increasing importance of production contexts in chapters focusing exclusively on the film business distribution and exhibition A more detailed chapter on representation and greater emphasis on audience Updated content addressing the significance of transnational cinema drawing on a more global non Hollywood range of film examples and case studies from Europe Asia and Latin America Text is broken up by a wider variety of film stills representing world cinema from the classics to the latest in contemporary cinema Quarterly Review of Distance Education Michael Simonson,Charles Schlosser,2017-11-01 The Quarterly Review of Distance Education is a rigorously refereed journal publishing articles research briefs reviews and editorials dealing with the theories research and practices of distance education The Quarterly Review publishes articles that utilize various methodologies that permit generalizable results which help guide the practice of the field of distance education in the public and private sectors The Quarterly Review publishes full length manuscripts as well as research briefs editorials reviews of programs and scholarly works and columns The Quarterly Review defines distance education as institutionally based formal education in which the learning group is separated and interactive technologies are used to unite the learning group **The Routledge**
