The Little Lady of the Big House by Jack London Jack London,2021-07-31 The writing style of Jack London in all the books I ve read of him so far has always seemed to me what would be typically masculine American English I have never been in the States so I can t say anything like that for a fact but I can say that I find it to be a pleasant style to read The story itself is also quite interesting and with the descriptive narrative it was almost as if I was able to see it all happen before my eyes The characters were lively and had their own flavor to bring to the story I quite liked the characters From the way they treated their Chinese servants however I felt kind of disappointed but knowing that it was written when racism wasn t a topic of consideration I won t debate it much here Honestly they were treated pretty well in general and were not intentionally degraded nor did they express to feel that way They were however stripped of their own names and given names like Oh Joy Oh My Oh Dear etc The only thing I felt kind of offended at was when Dick main character responds to his Chinese servant in the same sort of broken English when he can speak English without any difficulty This happens only once however so it wasn t enough to put me off the story **The Little Lady of the Big House** Jack London,2020-11 A triangle romance provides the basis for a questioning of the meaning of masculinity as well as an examination of agribusiness in California Jack London said of this novel It is all sex from start to finish in which no sexual adventure is actually achieved or comes within a million miles of being achieved and in which nevertheless is all the guts of sex coupled with strength **The Little Lady of the Big House** Jack London Jack London,2020-02-10 A triangle romance provides the basis for a questioning of the meaning of masculinity as well as an examination of agribusiness in California Jack London said of this novel It is all sex from start to finish in which no sexual adventure is actually achieved or comes within a million miles of being achieved and in which nevertheless is all the guts of sex coupled with strength About Jack London John Griffith London born John Griffith Chaney January 12 1876 November 22 1916 was an American novelist journalist and social activist A pioneer in the world of commercial magazine fiction he was one of the first writers to become a worldwide celebrity and earn a large fortune from
