DIFFERENTS STEPS *Creative Intuition in Art and Poetry* Jacques Maritain, 2023-08-15 The classic work on the sublime interplay between the arts and poetics This book explores the rich and complex relationship between art and poetry shedding invaluable light on what makes each art form unique yet wholly interdependent Jacques Maritain insists on the part played by the intellect as well as the imagination showing how poetry has its source in the preconceptual activity of the rational mind As Maritain argues intellect is not merely logical and conceptual reason Rather it carries on an exceedingly more profound and obscure life one that is revealed to us as we seek to penetrate the hidden recesses of poetic and artistic activity Incisive and authoritative this illuminating book is the product of a lifelong reflection on the meaning of artistic expression in all its varied forms

Rimbaud's Theatre of the Self James R. Lawler, 1992 In a new interpretation of a poet who has swayed the course of modern poetry in France and elsewhere James Lawler focuses on what he demonstrates is the crux of Rimbaud s imagination the masks and adopted personas with which he regularly tested his identity and his art A drama emerges in Lawler s urbane and resourceful reading The thinking feeling acting Drunken Boat is an early theatrical projection of the poet s self the Inventor the Memorialist and the Ing nu assume distinct roles in his later verse It is however in *Illuminations* and *Une Saison en enfer* that Rimbaud enacts most powerfully his grandiose dreams Here the poet becomes Self Creator Self Critic Self Ironist he takes the parts of Floodmaker Oriental Storyteller Dreamer Lover and he recounts his descent into Hell in the guise of a Confessor In delineating and exploring the poet s theatre of the self Lawler shows us the tragic lucidity and the dramatic coherence of Rimbaud s work
