

There are moments when everything seems to elude me. Moments when I feel alone and pushed away, discarded like an old toy that has proven boring. I know that these fears are often unfounded, especially towards my friends, but they keep coming back, some of my traumas that I still struggle with and always will. Some things just are too deep and then I lie there at night and cry. I try to hide it, but Sarrago always seems to notice when I'm feeling bad.

You are such an idiot.

That alone should show me how much he really cares about me, even if he often doesn't show it openly, but my head tells me otherwise, tells me that he doesn't give a shit about me. But wouldn't he have left a long time ago? Of course he would go and would not sit here with me and try to ease all my doubts and fears and yet here he is, cheering me up and affirming again and again that I am not alone, that he is there for me.

I will always be there for you.

Sarrago
