John Wesley And Universalism:

John Wesley and Universalism James A. Ellison, 2014-12-06 Teachers students and followers of Methodist denominations have long debated the nature of the monumental contributions John Wesley made to their faith Their debates however have largely come to the same conclusions focusing the lens of analysis on the elements of Arminianism in Wesley s life and writings while overlooking the elements of Universalism that are present John Wesley and Universalism widens the focus of this debate and takes into consideration the process content and structure of Wesley s thinking to explicate the universalistic underpinnings that other scholars have held in the periphery of their analyses for centuries An in depth and insightful text it examines Wesley s empirical and pragmatic methodology and outlines his concepts of faith development and spiritual growth highlighting the universalistic elements and patterns in his work and emphasizing their importance in the history and future of the Methodist movement Replete with references to history philosophy psychology and theology John Wesley and Universalism breathes new life into many of Wesley s most meaningful messages and is sure to bring the fundamental principles of his work to the surface for a new generation of scholars For those looking to broaden their spiritual or academic horizons this title should not be missed [Universalism, the Prevailing Doctrine of the Christian Church During Its First Five Hundred Years](#) John Wesley Hanson, 1899

Universalism, the Prevailing Doctrine of the Christian Church During Its First Five Hundred Years John Wesley Hanson, 1899 *John Wesley's Teachings, Volume 2* Thomas C. Oden, 2012-08-07 The first presentation of John Wesley s doctrinal teachings in a systematic form that is also faithful to Wesley s own writings in ebook format Wesley was a prolific writer and commentator on Scripture yet it is commonly held that he was not systematic or internally consistent in his theology and doctrinal teachings On the contrary Thomas C Oden intends to demonstrate here that Wesley displayed a remarkable degree of consistency over sixty years of preaching and ministry The book helps readers to grasp Wesley s essential teachings in an accessible form so that the person desiring to go directly to Wesley s own writings which fill eighteen volumes will know exactly where to turn **John Wesley and William**

Law John Brazier Green, 1945 [Almsgiving and Atonement Mystery - Essays in First Christianity](#) Jonathan Ramachandran, 2021-01-07 This Book is written to highlight some First Christian Perspectives regarding Almsgiving and Atonement We do not believe that Almsgiving can remove sins as only the Blood of Christ can do that making us New in the Resurrection where we taste the powers of the age to come now by His Mercy We do believe that Almsgiving does remove some Judgment of sins Regardless of how Scriptural one might argue we all point to men of God which history sets before us as the founding persons of certain theology or exegesis So if God used John Calvin as almost all protestants will agree and John Calvin in turn points to St Augustine then if St Augustine contemplated these same doctrinal points to some extent and is not a heretic so we contemplating on these possibilities likewise to even a deeper extent without concluding anything must likewise be not deemed as false teachers right If this Book causes your faith in Christ to stumble in any way we encourage

you to stop reading but if it increases solidifies or increases your faith in Lord Jesus Christ we exhort you to continue reading it in any way that may be beneficial as you may seek our Most Blessed Saviour and Pray for His Leading in this accordingly Thank you for reading it Peace to you Universal Salvation? Robin A. Parry, Christopher H. Partridge, 2004-03-25 Foreword by Gabriel Fackre Will God one day save all people through Christ's atoning work That is the question at the heart of the debate in this volume a debate sure to challenge readers whatever their current perspective Featuring evangelical writers of exceptional insight and sensitivity Universal Salvation offers a conversation worth everyone's attention The volume opens with a rigorous three part defense of Christian universalism by philosopher Thomas Talbott who argues that Scripture teaches the ultimate salvation of all people including those in hell Gabriel Fackre in his foreword calls Talbott's work the most thoughtfully wrought argument for universalism to date from within the contemporary evangelical community The rest of the book gathers incisive responses to Talbott by Christian scholars from different disciplines who evaluate the strengths and weaknesses of Talbott's arguments take his thought in new directions or explain why they think he is mistaken Talbott then responds to his critics The aim of this volume is not to persuade people that universalism is true but to open up a fairer debate on a controversial subject of continuing importance to theologians and nontheologians alike By exploring universal salvation from biblical philosophical theological and historical perspectives the book helps readers think through the issues more carefully than has been possible with resources previously available *Anti-Methodism and Theological Controversy in Eighteenth-Century England* Simon Lewis, 2022-01-27 Eighteenth century Methodism was a divisive phenomenon which attracted a torrent of printed opposition especially from Anglican clergymen Yet most of these opponents have been virtually forgotten Anti Methodism and Theological Controversy in Eighteenth Century England is the first large scale examination of the theological ideas of early anti Methodist authors **Sinners in the Presence of a Loving God** R. Zachary Manis, 2019 In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the several facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed **The Mosaic of Atonement** Joshua M. McNall, 2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this

mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us
