**Early Jesuits and the Rhetorical Tradition** Jaska Kainulainen, 2024-02-27 This book explores sixteenth and seventeenth century Jesuit contributions to the rhetorical tradition established by Isocrates Aristotle Cicero and Quintilian It analyses the writings of those Jesuits who taught rhetoric at the College of Rome including Pedro Juan Perpiá 1530-66 Carlo Reggio 1539-1612 Francesco Benci 1542-94 Famiano Strada 1572-1649 and Tarquinio Galluzzi 1574-1649 Additionally it discusses the rhetorical views of Jesuits who were not based in Rome most notably Cypriano Soares 1524-93 the author of the popular manual *De arte rhetorica* Jesuit education Ciceronianism and civic life feature as the key themes of the book *Early Jesuits and the Rhetorical Tradition* 1540-1650 argues that in line with Cicero early modern Jesuit teachers and humanists associated rhetoric with a civic function Jesuit writings not only on rhetoric but also on moral religious and political themes testify to their thorough familiarity with Cicero's civic philosophy Following Cicero Isocrates and

Renaissance humanists early modern Jesuit teachers of the studia humanitatis coupled eloquence with wisdom and in so doing invested the rhetorician with such qualities and duties which many quattrocento humanists ascribed to an active citizen or statesman These qualities centred on the duty to promote the common good by actively participating in civic life This book will appeal to scholars and students alike interested in the history of the Jesuits history of ideas and early modern history in general *The United States Catalog* ,1903 Studies in Late Modern English Correspondence Marina Dossena,Ingrid Tieken-Boon van Ostade,2008 The studies presented in this volume concentrate on aspects of Late Modern English correspondence in the usage of individuals belonging to different social classes writing for different purposes and finding themselves in different social contexts both in Britain and in its colonies As the growing body of research published in recent years has shown analysing the language of letters presents both a challenge and an opportunity to obtain access to as full a range of styles as would be possible for a period for which we only have access to the language in its written form It is an area of study in which all the contributors have considerable expertise which affords them to present data findings while discussing important methodological issues In addition in most cases data derive from specially designed second generation corpora reflecting state of the art approaches to historical sociolinguistics and pragmatics Theoretical issues concerning letters as a text type their role in social network analysis and their value in the identification of register or variety specific traits are highlighted alongside issues concerning the often less than easy relationship between strictly codified norms and actual usage on the part of speakers whose level of education could vary considerably **Training Readers and Writers for a Multimodal and Multimedia Society: Cognitive Aspects** Ester Trigo-Ibanez,Inmaculada Clotilde Santos Diaz,Marcela Jarpa,2024-02-07 Contemporary societies have been advancing gradually towards the construction of a model of a literate population Significant efforts have been made so that most citizens can access various sources today using their reading and writing abilities but are we really prepared to face the information age Is information literacy being promoted from schools Are individual capabilities being considered Do we have a true critical literacy This article collection aims to show an overview of the most recent research ranging from the individual to the collective from the subject's competencies and their beliefs to the way to develop them from school There is room in this Research Topic for investigations belonging to the linguistic psychological and didactic field This Research Topic aims to address a pressing problem in contemporary world societies It is proposed to offer various contributions related to critical literacy in general and reading and writing In this sense research that addresses analog and digital reading writing processes academic literacy and the use of resources such as non fiction illustrated books to develop critical thinking will be welcome But also and in a very important way the cognitive processes of the subject will be considered not only to deal with access to information but also in the construction of their mental lexicon an issue that offers the vision of the world of those who are immersed in literacy and in the post truth era Vingut's Ollendorff's New Method of Learning to Read, Write and Speak the Spanish Language ...  Lara Anderson,2020-02-24 Control and Resistance reveals the various ways in which food writing of the early Franco era was a potent political tool producing ways of eating and thinking about food that privileged patriotism over personal desire The author examines a diverse range of official and non official food texts to highlight how discourse helped construct and contest identities in line with the three ideological pillars of the regime autarky prescriptive gender roles and monolithic nationalism Official food discourse produced an audience with a taste for local foodstuffs and also created a unified gastronomic space in which regional cuisines were co opted for the purposes of culinary nationalism The author discusses a genre of official texts directed solely at women which demanded women s compliance and exclusive dedication to domesticity Alongside such examples Control and Resistance includes texts that offered resistance to the Franco hegemony Food texts have traditionally been viewed as apolitical because of their connections with domesticity so they were not subject to the same degree of censorship as other published works Accordingly food writing was at times more capable of offering disruptive or resistant textual spaces than other forms of discourse      **Nouveau dictionnaire général anglais-français ...** Alexander Spiers,1891      **Women's Acts** Teresa Scott Soufas,2021-10-21 The plays are in Spanish Los papeles est n en el espa ol
