Angelina Jolie - The Biography Rhona Mercer, 2009-05 Academy Award winning actress former fashion model and Hollywood party girl and current Goodwill Ambassador for the UN Refugee Agency Angelina Jolie is constantly in the media spotlight Unlike many Hollywood stars who do their best to avoid the press her openness about her complicated and often outlandish life has endeared her to fans worldwide Her most famous screen roles are covered in this biography from Gia to Lara Croft Also explored is her reputation for living on the edge and Angelina s refreshing honesty around tempestuous romantic relationships bisexuality wild partying and breakdowns and thoughts of suicide Finally her recent roles as philanthropist mother and half of a Hollywood golden couple with Brad Pitt are also discussed in this inspiring book for fans of this continually fascinating global superstar *Telecom Namibia Directory*, 2006 *Leave no child behind* UNESCO, 2022-06-20 To leave no child behind UNESCO developed the first global report of this scope on boys disengagement from education bringing together qualitative and quantitative evidence from over 140 countries This report provides an

overview on the global situation on boys disengagement from and disadvantage in education. It identifies factors influencing boys' participation, progression and learning outcomes in education. It also analyses responses by governments and partners and examines promising policies and programmes. Finally, it includes recommendations on how to engage boys with education and address disadvantage. While girls continue to face severe disadvantages and inequalities in education, the report shows that boys in many countries are at greater risk than girls of repeating grades, failing to complete different education levels and having poorer learning outcomes in school. No less than 132 million boys of primary and secondary school age are out of school. They urgently require support. As this report shows, supporting boys does not mean that girls lose out and vice versa. Addressing boys' disengagement not only benefits boys' learning, employment opportunities, income and well-being; it is also highly beneficial for achieving gender equality and desirable economic, social and health outcomes.
