

End Of School Year Prayer **For Teachers**

Dear God,

As we come to the end of this school year, we offer our thanks and praise to you for the dedication and commitment of the teachers. We thank you for the sacrifices they made, the encouragement they provided, and the passion they brought to their work each day. As they reflect on the past year, we pray that they would be filled with a sense of accomplishment and satisfaction. May they see the fruits of their labor in the growth and development of their students, and may they take pride in the impact they have had on their lives.

We pray that the summer break would be a time of renewal and refreshment for the teachers, and that they would return in the fall with renewed energy, passion, and enthusiasm. May they continue to be a source of inspiration and guidance for their students, and may their work be a reflection of your love and grace.

We ask for your blessings upon the teachers, their families, and their colleagues. May they be filled with joy and gratitude for the work they do, and may they find strength and encouragement in the knowledge that they are making a difference in the lives of others.

We offer this prayer of blessing in your holy name, Amen.
