Speak, Volume One Robert Shapiro, 2001-05-23 Even as you are searching the sky for extraterrestrials and their space ships ETs are here on planet Earth they are stranded visiting exploring studying the culture healing the Earth of trauma brought on by irresponsible mining or researching the history of Christianity over the last 2000 years Some are in human guise some are in spirit form some look like what we call animals as they come from the species home planet and interact with those of their fellow beings that we have labeled cats or cows or elephants Some are brilliant cosmic mathematicians with a sense of humor presently living here as penguins some are fledgling diplomats training for future postings on Earth when we have ET embassies here In this book these fascinating beings share their thoughts origins and purposes for being here *The Easy Way to Enlightenment* Leigh Ann Kittell, 2018-03-15 Have you read shelves full of books about self help and spirituality and are now asking How can I go deeper *The Easy Way to Enlightenment 7 Lessons to Give Your Soul the Adventure of Your Life* redefines and demystifies enlightenment putting it well within reach for todays modern spiritual practitioner The lessons and practices in this book will help you honor your past achievements and discover how to harness the creative forces of your soul your connection to spirit and Mother Earth and your creative magic to live a brighter richer and more satisfying life *The Easy Way to Enlightenment* gets you off the bench and puts you into the exciting game of applied spiritual living teaching you how to access higher forms of guidance and contribute your unique gifts to planet earth *ET Visitors Speak, Volume Two* Robert Shapiro, 2009-09-15 For those of you who have always wanted to meet somebody completely different here is your opportunity This book contains the continuing adventures of visitors to planet Earth In a strange sense you might include yourself as one of these as humans do not really claim the title of full time permanent Earth

citizens So when you re reading this book think about it as if you were visiting from another planet What would you say in reaction to the local population their habits and so on Put yourself in the picture so this isn t just a meaningless travel log from various beings you don t know and may never meet Make it personal this time because the time is coming maybe even in some of your lifetimes when you might just meet one of those extraterrestrials on another planet So you might as well practice now and get your lines down right
