Engineering Drawing Interview Questions and Answers

Here are 22 commonly asked Engineering Drawing interview questions and answers to prepare you for your interview:

1. What is engineering drawing?

Engineering drawing is the process of creating a technical drawing of an object or system. This drawing can be used for manufacturing, construction, or other purposes. The drawing must be accurate and clear in order to be effective.

2. Can you explain what orthographic projection is in the context of engineering drawing?

Orthographic projection is a type of drawing that is used to create two-dimensional representations of three-dimensional objects. This is done by projecting the three-dimensional object onto a two-dimensional plane. This can be helpful in engineering drawings because it can provide a more accurate representation of an object than a three-dimensional drawing.

3. What are some common uses for engineering drawings?

Engineering drawings are used for a variety of purposes, including:
