**Handbook of Internet Studies** Mia Consalvo, Charles Ess, 2012-12-17 The Handbook of Internet Studies HANDBOOKS IN COMMUNICATION AND MEDIA Highly recommended CHOICE A state of the art collection that represents and celebrates the diversity of theoretical and disciplinary approaches marking this brave new field A new must have reference book for Internet studies Caroline Haythornthwaite University of Illinois This indispensable volume reflects the complexity of Internet studies indeed the Internet itself by bringing together a diverse set of voices geographies disciplines and arguments It is not only an important resource for practitioners but will also spark the curiosity of those on the edges of the field including humanists social scientists and engineers alike Michael Zimmer University of Wisconsin A comprehensive and useful volume that will appeal to students teachers and researchers I highly recommend it to those who have been following the field since

its emergence in the 1990s as well as to those new to the field Steve Jones University of Illinois at Chicago This handbook is landmark documenting that Internet studies have now come of age Niels Ole Finnemann Aarhus University To fully understand the impact and significance of the Internet it is essential to consider its historical societal and cultural contexts This handbook presents a wide range of original essays by established scholars in the field of Internet studies exploring the role of the Internet in modern societies and the continuing development of its academic study **Care of Older Persons**

Mala Kapur Shankardass,2024-10-23 This book explores the implications and significant ethical social economic and health challenges that an ageing world population presents It provides valuable insights on concerns related to providing organizing planning and managing care for older persons in both formal and informal settings As the number of older persons increases rapidly around the globe caring for them is a very important aspect of all ageing and aged societies While in most countries the care of older persons is provided informally by family members the changing social scene family structures and work and employment patterns are leading many nations to create provisions for formal care through institutions or paid services of caregivers This book offers perspectives on formal and informal care from countries such as Japan the Netherlands the USA India South Africa and Poland among others The essays in this book underline a rights based approach and focus on ethical social economic health and legal aspects of care as they pertain to the universal phenomena of ageing as well as the specific demographic and epidemiological realities of the selected countries They discuss concerns such as long term care provisions catering to the needs of people affected by dementia providing residential care taking the needs of family care providers into account the growing requirement for paid care workers and channelizing training of both skilled and semi skilled care providers to suit the needs of older people This volume would be of interest to scholars and those working in the fields of sociology health studies age and ageing psychology social work medical sciences nursing and public policy It will also be useful to NGO sector workers administrators as well as grassroots workers involved with the care of older persons

**Anti-corruption Education and Peacebuilding** Jean de Dieu Basabose,2019-03-06 This study explores corruption in Rwanda and highlights the necessity of developing anti corruption education as a way of combating corruption It argues that an effective campaign against corruption should consider promoting anti corruption education with the aim of enabling present and future generations to maintain and live out the Ubumuntu meaning trust respect ethical values Considering the link between anti corruption and peacebuilding efforts as explained in this study it is underlined that continuous efforts to raise such generations could undoubtedly move Rwandan society toward a sustainable peace Peacebuilders anti corruption agents and public policymakers are the primary beneficiaries of the study **The Ethics and Politics of Human**

**Experimentation** Paul Murray McNeill,1993-05-28 The author finds that these committees are predominantly influenced by members of research institutions and by the researchers themselves Yet researchers and their institutions stand to gain considerable benefits from the experiments they conduct Dr McNeill argues that committees of review as they are presently

constituted cannot be relied on to ensure an equitable balance between the interests of researchers and the interests of the human subjects experimented on He proposes a radically different rationale and model for committee review

**Transforming Public Administration in Canada** Jill Anne Chouinard, Susanne Thiessen, 2025-06-20 This book explores the intersection of social equity related issues with concerns within the field of public administration in Canada It challenges scholars from schools of public administration to use a social equity lens to reimagine and rethink the ways in which public administration is currently practiced **Books in Series** ,1980 **Psychiatric and Mental Health Nursing for**

Marsh, 1999 This edition of The Canadian

Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless

corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

*Energy Abstracts for Policy Analysis* ,1979      *The Lived Experiences of Claiming Wrongful Conviction in Prison* Emma Burt,2023-12-29 The Lived Experiences of Claiming Wrongful Conviction in Prison focuses on the lived experience of maintaining innocence in the prison environment and highlights the struggles and pain that such a claim can cause Using the little utilised means of conducting an interview via a series of letters the book details the experiences of 64 prisoners maintaining innocence in England and Wales and examines in depth what is unique to this population The chapters cover coping mechanisms relationships maintained with relatives relationships formed with prisoners and staff and the perceived effect of their claims on matters of progression and parole It draws on material from criminology sociology law and psychology to provide a holistic account of this population's experiences The Lived Experiences of Claiming Wrongful Conviction in Prison will be of great interest to students and scholars across the disciplines of criminology criminal justice law sociology and psychology
