Dear [USCIS Officer],

I am writing to you today to express the extreme hardship that my family and I will face if my (family member's relationship) (Person) is not granted a (Immigration status adjustment). (Person) is an integral member of our family, and our lives would be significantly impacted if they were unable to continue living and working in the United States.

The primary reason for our concern is that the extreme hardship that we will face if (Person) is forced to leave the United States will be devastating for our family. We have built a life in the United States over the past (length of time), and we have become fully integrated into our local community. We have established close relationships with our neighbors, colleagues, and friends, and our children have grown up in the United States.

(Person) has established a successful career in their field and is highly respected by their colleagues and others. They have worked hard to build a strong reputation in their industry, and we are all proud of their achievements. If (Person) is forced to leave the United States, we will face significant financial loss.

Furthermore, if (Person) is forced to leave the United States, our family's emotional well-being will be severely impacted. We will be separated from each other, which will cause significant emotional distress. We have grown used to having (Person) around us, and we have come to rely on them for their wisdom and their strength.

In addition to financial and emotional hardship, we are deeply concerned about our family's safety. If we are forced to return to (country of origin), they face serious risks to their well-being and personal safety. We can provide specific evidence for safety concerns. We fear for our family's security and well-being if we are forced to return to our home country.

Given the extreme hardship that our family will face if (Person) is not granted a (Immigration status adjustment), I respectfully request that you consider our situation carefully and with compassion. We have provided all the necessary supporting documentation to demonstrate the hardship that we will face if (Person) is unable to continue living and working in the United States.

We appreciate your consideration of our family's unique circumstances and respectfully ask that you grant (Person) a (Immigration status adjustment) to allow our family to continue living and working in the United States.

Thank you for your time and understanding.

Sincerely,
[Your Name]
