Extreme Sunday School Challenge: Engaging Our World Through New Groups Bruce Raley, David Francis, 2012-12-03 48 page booklet that presents a rationale for starting new Bible study groups in the local church *The why and how of Missions in the Sunday-school* William A. Brown, 1916 *An Effective Sunday School in the Midst of 21st Century* Stephene Timothée Loremy, 2022-06-28 The purpose of the Sunday school is to teach the word of God its power brings about the spread of justice and equality in society It aims at developing a society that believes in living with peace and harmony Sunday schools aim at helping people from all age groups to adopt the principles of God Sunday school education intends to educate people the ways to adhere to ideals in life At times this involves the teaching of scriptures from the Bible Learning what the Bible has to say helps the people meet with God Enabling the connection of a common man with God is a primary purpose of Sunday schools They aim at bringing about a spiritual development for their students The purpose of Sunday schools is indeed worthy One must not ignore the fact that Sunday schools offer the group an opportunity to be a part of the mission of Christianity to establish equality peace and harmony in society They aim at the creation of a society based on the principles of Christ and serve as excellent platforms to move closer to God Sunday School That Really Responds Steve R. Parr, 2011 In this sequel to Sunday School That Really Works Steve Parr explores twenty four problems in organizing and teaching a Sunday school class But he does more than present the problems he provides practical and biblical wisdom on how the problems may be solved *I'm not a duck* John Walsh, 2018-01-31 Early in his life John Walsh made a commitment that he would do whatever the Lord told him to do even if he didn't understand why This commitment provided a foundation for his life He has followed God's direction from the heartland of America to a bustling market in Cambodia from a bus in Jerusalem to a water taxi in Bangkok John doesn't seek God's direction in every decision he makes but he has found that God steps in whenever he needs to change course This book tells about a few times when God interfered with John's plans This usually brought about a battle of wills between a man and the master of his destiny The stories of these struggles are written in a casual authentic voice that invites you to pour a cup of coffee and join John on the front porch He will touch your heart with his hard earned insights and delight you with his adventures around the world The Sunday School Helper , 1889

Adventism Confronts Modernity Robert J. Mayer, 2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible s inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance *Adventism Confronts Modernity* describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible s inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy
