Repair Stations (Us Federal Aviation Administration Regulation) (Faa) (2018 Edition) The Law The Law Library,2018-09-22 Repair Stations US Federal Aviation Administration Regulation FAA 2018 Edition The Law Library presents the complete text of the Repair Stations US Federal Aviation Administration Regulation FAA 2018 Edition Updated as of May 29 2018 This rule amends the FAA s repair station regulations to allow the FAA to deny an application for a new repair station certificate if the applicant or certain associated key individuals had materially contributed to the circumstances that caused a previous repair station certificate revocation action The rule also adds a new section prohibiting fraudulent or intentionally false entries or omissions of material facts in any application record or report made under the repair station rules and provides that making the fraudulent or intentionally false entry or omitting or concealing the material fact is grounds for imposing a civil penalty and for suspending or revoking any certificate approval or authorization issued by the FAA to the person who made or caused the entry or omission These changes are necessary because the repair station rules do not presently provide these safeguards as do other parts of the FAA s regulations Both of these changes will enhance safety by reducing the number of individuals in the repair station industry who commit intentional and serious violations of the regulations or who demonstrate they are otherwise unqualified to hold repair stations certificates This book contains The complete text of the Repair Stations US Federal Aviation Administration Regulation FAA 2018 Edition A table of contents with the page number of each section *Federal Aviation Regulations* United States.
