**The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *Bible Faith Study Course* Kenneth E. Hagin, 1974 **Prosperity Gospel?** Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today God's Irresistible Word Kenneth W. Hagin, Jr., 1989 This powerful book brings a fresh awareness of the unchanging irrefutable power in the Word of God God's Word Kenneth E. Hagin, 1997-07 This book reveals that the unfailing remedy for every adversity of life can be found in the pages of God's holy written Word *Global Pentecostal and Charismatic Healing* Candy Gunther Brown, 2011

Divine healing is an essential marker of the global phenomenon of Pentecostal and Charismatic Christianity. But although we know that healing is central in these movements we know surprisingly little about how divine healing beliefs and practices reflect the interplay of local and global patterns of cultural development. The essays in this collection seek to discover what is the same and what is different about such beliefs and practices in diverse contexts, trace formal and informal lines of cultural influence across geographic and national boundaries and ask how healing both reflects and contributes to larger processes of globalization. The collection not only fleshes out a picture of how and why spiritual healing is practiced in diverse cultural contexts and how healing practices reflect and shape the transnational spread of Christianity, it also provides insight into the nature of globalization. The authors attend to a wide range of issues including the theological rationales for divine healing, the symbolic objects and ritual enactments employed, the cultural controversies surrounding these practices, the relationship between Christian healing and local or indigenous healing traditions, whether an emphasis on financial prosperity is always present and the extent to which Pentecostal and Charismatic churches are networked and the role of healing in such networks. With nearly all new essays, this informative volume edited by Candy Gunther Brown contains a forward by Harvey Cox and contributions from an international team of sixteen professors, academics and scholars.

*The Believer's Guide to Salvation* Larry Craddieth, 2020-04-15 This book is designed to give guidance and more understanding of God's word. This in return will enhance your spiritual life. It goes into detail for each subject and discusses activities a confessed believer should engage in. One of the greatest emphasis in the book is placed on your ability to believe. This is by God's grace. For grace are ye saved through faith and that no yourselves it is the gift of God. Eph 2:8 The book will enhance your understanding of just what is happening to you as a chosen vessel of God and that Christ through your faith and God's design is truly in control of your life. Looking unto Jesus the author and finisher of our faith. Heb 12:2 As mentioned the book goes into detail about the things a confessed believer should engage in. These are things that are pleasing to the Lord. If the things mentioned are abided in, the Spirit will become more and more evident in your life. We have a short time on earth to prepare for our eternal future. This book with the help of the Spirit is designed to help in the preparation for eternal life. This book is dedicated to my beloved father and brother Frank Craddieth Sr and Lamond Craddieth.

**The 'Spiritual Death' of Jesus** William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually (JDS) is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity.

**If God Wants Me Well, Why Am I Sick?** H. L. Ford, 2011-08-01 A paralyzed youth declares his faith, gets out of bed and walks.
