with her friend Margery who was a chemistry researcher at King's College. Back at the office the man asked his spooks to do some background checks. It turned out that without even knowing it his blind physiotherapist and her chum had an indirect connection to a high ranking communist party boss. Meanwhile in East Berlin clever operatives of the GDR secret services realized that Margery must know some pretty vital scientific secrets. They decided to put Hans Konradi on the case during the visit of the two Englishwomen to Ost Young Hans was not an agent just a charming student with fluent English who could easily be pressured into spying for his country. But Hans had an agenda of his own and Operation Berlin Fall did not turn out the way the spymasters on both sides of the Wall had envisioned. Nick Aaron tries his hand at a spy mystery but the result is more like an unintended comedy with a tragic love story thrown in. Failure can be entertaining however and who needs another pompous spy opera. *The Weekly Banner* Male Model Dave Benbow, 2014-11-20 This breezy beach read features dazzlingly beautiful boys, steamy sex, love and revenge from the author of *Daytime Drama*. Publishers Weekly. Designing window displays for the glamorous Cameron Fuller. USA store on Rodeo Drive is Blake Jackson's passion. After all handsome elegant designer Cameron Fuller is an icon of chic style. Blake has often fantasized about the married Cameron but he's completely unprepared to meet him in the flesh. Working side by side the two men experience an overpowering attraction and soon they're engaged in a whirlwind secret affair played out on private planes in New York penthouses behind office doors and in a remote exotic beach house. For Blake life with Cameron has its drawbacks: the secrecy and sneaking around but it's sexier and more tender than he ever could have hoped and it's about to get hotter. In need of a fresh look to launch his new cologne Cameron finds it in his lover's chiseled cheekbones, ice blue eyes, long dark hair and hunky six pack abs. It's an offer Blake can't refuse and within weeks he's gone from shop boy to poster god. But someone is unhappy about Blake's sudden rise to fame and the growing love between the designer and his model. Someone who knows their secrets, someone determined to make them pay dearly. And as the days tick down until the celebrity packed party that will launch Blake's star it's clear that the only way Cameron and Blake can hold on to what they have is to let go of everything else. *Kane* Graham Hurley, 2025-06-19 One man at the heart of American power must undertake a crucial wartime spy mission that will take him into enemy territory before he even leaves US soil. Washington DC 1941. Quincy Kane, hero of the Boston Police Department and scourge of organised crime, is now a Secret Service agent. His meteoric rise means he's trusted to guard the most important man in the country, President Roosevelt. Then Imperial Japan attacks the US naval base at Pearl Harbor. For Kane American entry to World War II means the most crucial mission of his career: a complex scheme of bribery and subterfuge that will see him cross the Atlantic. He could change the course of the conflict and save thousands of Allied lives. First though he will have to survive a return to the world of organised crime via the City of Angels itself, Los Angeles, where every gangster has Quincy Kane in their crosshairs. From award winning author Graham Hurley, *Kane* is a thrilling part of the *Spoils of War* Collection, a non-chronological series set during World War II and featuring some of the most momentous stories and figures
