predecessors and his contemporaries The focus on visual art as criticism establishes the book as a major essay on the interaction of the arts within and across cultural periods Fifty four black and white illustrations document that radical Romantic assault by Blake on tradition in the name of tradition The highlight of the book is Blake s two sets of Paradise Lost illustrations reproduced here in twenty four color plates Blake s final statements on Paradise Lost and the culmination of his aesthetic and critical development This beautiful book presents a wealth of illustration previously scattered or inaccessible It will be of major interest to students of Blake Milton Romanticism art history and the history of ideas Spiritualist Manual Assembly of Spiritualists,2006-08 What is a Spiritualist A large number of Spiritualist Churches exist around the world yet very little has been published by them or for them Highly recommended as a complete guidebook for all Spiritualists world wide **T.
