Forward Together A Moral Message For The Nation:

Forward Together William J. Barber II, Barbara Zelter, 2014-10-30 In the spring of 2013 seventeen people gathered at the North Carolina state legislature to protest extreme legislation passed by the General Assembly attacking health insurance unemployment insurance labor and voting rights The ministers labor and human rights activists began praying singing and chanting and were ultimately arrested That group grew into crowds of thousands at successive Moral Mondays rallies and by summer s end nearly 1 000 people had been arrested making this sustained moral protest one of the largest acts of civil disobedience in U S history The effort grew out of seven years of organizing with more than 160 groups Rallies continued in 2014 with a Moral March of 80 000 people in February Rev Dr William Barber II a pastor and president of the North Carolina Conference of the NAACP now the largest in the South became one of the architects of the Forward Together Moral Movement In a new book *Forward Together* Rev Barber tells the story of a new fusion civil rights movement a big tent in which black and white gay and straight rich and poor old and young Republicans and Democrats are all welcome Rev Barber s sermons speeches at the protests many of them collected in *Forward Together* became the inspiration and rallying cry for a new civil rights movement North Carolina today is at the epicenter of the political and spiritual crisis affecting 21st century America What happens here says Barber can shift the center of gravity in the American political discourse Similar movements are now growing in states around the country *Forward Together* captures the essence of what it means to preach in the public square

Forward Together William J. Barber II, Barbara Zelter, 2014-10-30 North Carolina s Moral Monday protests have drawn tens of thousands of protestors in what has been called the new Civil Rights Movement *Forward Together A Moral Message for the Nation* shares the theological foundation for the Moral Monday movement serving as a proclamation of a new American movement seeking equal treatment and opportunity for all regardless of economic status sexual preference belief race geography and any other discriminatory bases The book will also serve as a model for other movements across the country and around the world using North Carolina as a case study providing useful practical tips about grassroots organizing and transformative leadership *Freedom Church of the Poor* Colleen

Wessel-McCoy, 2021-08-19 When King looked over into the promised land and tried to discern how we would get there he called the poor to lead the way The Poor People s Campaign was part of a political strategy for building a movement expansive enough to tackle the enmeshed evils of racism poverty and war In *Freedom Church of the Poor* Martin Luther King Jr s Poor People s Campaign Colleen Wessel McCoy roots King s political vision solidly in his theological ethics and traces the spirit of the campaign in the community and religious leaders who are responding to the devastating crises of inequality today *Organizing Church* Tim Conder, Daniel Rhodes, 2017-03-21 The 21st century is the age of community organizing from rallies in the streets to online movements for change What if congregations embraced community organizing *Organizing Church* offers a unique perspective that blends proven principles of community organizing and research on socially active

congregations into a formula that will revitalize and empower churches as change agents Seasoned pastors and community activists Tim Conder and Dan Rhodes will help pastors and other church leaders build healthier congregations create a deep culture of discipleship in their community and respond to the challenges presented by the global culture of the 21st century Organizing Church is the essential field guide for joining the social justice movement today **Extremists for Love** J. T. Young,2024-08-23 The histories of race and religion in America are inextricably intertwined From the antebellum South to the civil rights era and the modern BlackLivesMatter movement Christianity has played a key role It may be tempting to believe in light of the way far right politics has hijacked Christian language and ideas in recent decades that religion was used exclusively as an oppressive tool but the ways in which Christianity played a key role in active resistance to white supremacy from its earliest days cannot be overlooked Extremists for Love gives readers a critical overview of twenty central figures from the history of the black liberation struggle in the United States exposing the theological trappings of their work and what they mean for the church today Accessible in style and academic in quality this volume examines civil rights activists scholars theologians pop culture icons and collectives who either implicitly or explicitly deployed Christian ideas in their work for black liberation Preaching to Teach Richard Voelz,2019-08-06 Preaching to Teach merges the related functions of preaching and teaching and equips the reader to accomplish both Preachers stand up to speak each week in challenging times to unsettled congregations Each week seems to bring a new difficult subject mass shootings and other forms of violence hard conversations around race ethnicity and multi religious contexts immigration poverty climate change foreign and domestic terrorism and bickering about it all on social media Preachers are hungry for ways to envision the work of preaching in these times as well as for tools that will help them speak to difficult and contentious topics In a divided and weary world preachers struggle with the choice of any number of images to describe their preaching identity Responding to social crisis after social crisis preachers most often lean toward the roles of pastor prophet or somewhere on the spectrum in between the two Juggling between these images and their associated roles on a week to week basis can be exhausting But there is an ancient image of the preacher that may help the preacher as teacher The image of teacher has traditionally focused on content and rhetorical aspects of preaching the preacher is conveying information modeling theological reasoning or effecting a certain pulpit style But rather than focusing on traditional concepts of teaching to determine the content form style or delivery of sermons the field of critical pedagogy represented by notable figures such as Paulo Freire Henry Giroux Peter McLaren and bell hooks offers a way of re envisioning the preacher as teacher Recasting the preacher as teacher through the lens of critical pedagogy grounds the image of teacher in an ethical framework inviting preachers to redefine their public roles stand in relationships of solidarity with communities of faith break the silences of taboos tackle tough issues and re imagine the world in the shape of the kingdom of God *Unified We Are a Force* Joerg Rieger,Rosemarie Henkel-Rieger,2016-05-10 The American dream of pulling yourself up by your bootstraps is no longer possible if it ever was

Most of us live paycheck to paycheck and inequality has become one of the greatest problems facing our country Working people and people of faith have the power to change this but only when we get unified In this practical and theological handbook for justice renowned theologian Joerg Rieger and his wife community and labor activist Rosemarie Henkel Rieger help the working majority the 99% of us understand what is happening and how we can make a difference Discover how our faith is deeply connected with our work Find out how to organize people and build power and what our different faith traditions can contribute Learn from case studies where these principles have been used successfully and how we can use them Develop deep solidarity as a way to forge unity while employing our differences for the common good **A Darkly**

Radiant Vision Gary Dorrien, 2023-07-25 The third and final volume in the first comprehensive history of Black social Christianity by the greatest theological ethicist of the twenty first century Michael Eric Dyson The Black social gospel is a tradition of unsurpassed and ongoing importance in American life argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity This concluding volume an interpretation of the tradition since the early 1970s follows Dorrien s award winning The New Abolition W E B Du Bois and the Black Social Gospel and Breaking White Supremacy Martin Luther King Jr and the Black Social Gospel Beginning in the shadow of Martin Luther King Jr Dorrien examines the past fifty years of this intellectual and activist tradition interpreting its politics theology ethics social criticism and social justice organizing He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology womanist theology antiracist politics LGBTQ theory cultural criticism progressive religion broad based interfaith organizing and global solidarity politics A Darkly Radiant Vision features in depth discussions of Andrew Young Jesse Jackson Samuel DeWitt Proctor Gayraud Wilmore James Cone Cornel West Katie Geneva Cannon Stacey Floyd Thomas Traci Blackmon William J Barber II Raphael G Warnock and many others **Violent Trauma, Culture, and Power** Michelle Walsh, 2017-02-16 This book is an interdisciplinary exploration of the intertwining impact of violent trauma culture and power through case studies of two ministries serving in different demographic contexts within the United States Mass shootings continue to rise in the United States including in religious and school contexts and the U S also is ground zero for the now international Black Lives Matter movement The author shows how all forms of violent trauma impact more than individuals devastating communal relationships and practices of religious or spiritual meaning making in the aftermath and assesses how these impacts differ according to lived experiences with culture and power Looking at the two ministries an urban grassroots lay ministry organization that serves surviving family members in the aftermath of homicide and a denominational ministry that served a church in the aftermath of a political and religiously motivated shooting the author develops trauma specific interdisciplinary tools for lived religion studies This book powerfully utilizes an intersectional lens to highlight the inter interconnections to be found for those working in faith communities as well as mental health Walsh provides the reader with an opportunity to explore and develop theoretical and practice perspectives

that include race and ethnicity religion and spirituality social class and ability sexual orientation immigration and refugee status and explores the impact that oppression and discrimination have on our communities and society I highly recommend this book for those who are engaged in working to combat domination at the local national and global levels Gary Bailey Simmons College USA

John Dewey's Democracy and Education in an Era of Globalization Mordechai Gordon, Andrea R. English, 2019-12-18 2016 marked the hundred year anniversary of John Dewey's seminal work *Democracy and Education* This centennial presented philosophers and educators with an opportunity to reexamine and evaluate its impact on various aspects of education in democratic societies This volume brings together some of the leading scholars on John Dewey and education from around the world in order to reflect on the legacy of *Democracy and Education* and more generally to consider the influence of Dewey's ideas on education in the twenty first century John Dewey's *Democracy and Education in an Era of Globalization* is unique in that it explores some important tensions and relationships among Dewey's ideas on democracy education and human flourishing in an era of globalization The contributors make sense of how Dewey would have interpreted and responded to the phenomenon of globalization This book was originally published as a special issue of *Educational Philosophy and Theory*

Religion and Media in America Anthony Hatcher, 2018-05-25 Covering topics ranging from the Moral Monday movement to Christian films and performers *Religion and Media in America* is a qualitative study of the ways in which religion has been woven into American popular and civic culture This book explores how Christianity both adapts to and is affected by new media forms Its six chapters address religious activism government imposition of religiosity into secular culture religious entertainment Bible translations marketed as consumer goods and how religious satire comes from both religious and secular sources Recommended for scholars and students interested in media studies film studies religion communication American history American studies political science and popular culture

Democracy in Black Eddie S. Glaude Jr., 2017-01-10 A powerful polemic on the state of black America that savages the idea of a post racial society America's great promise of equality has always rung hollow in the ears of African Americans But today the situation has grown even more dire From the murders of black youth by the police to the dismantling of the Voting Rights Act to the disaster visited upon poor and middle class black families by the Great Recession it is clear that black America faces an emergency at the very moment the election of the first black president has prompted many to believe we've solved America's race problem *Democracy in Black* is Eddie S. Glaude Jr.'s impassioned response Part manifesto part history part memoir it argues that we live in a country founded on a value gap with white lives valued more than others that still distorts our politics today Whether discussing why all Americans have racial habits that reinforce inequality why black politics based on the civil rights era have reached a dead end or why only remaking democracy from the ground up can bring real change Glaude crystallizes the untenable position of black America and offers thoughts on a better way forward Forceful in ideas and unsettling in its candor *Democracy In Black* is a landmark book on race in America one that promises to spark wide

discussion as we move toward the end of our first black presidency

FROM APATHY TO ACTIVISM: SOCIAL JUSTICE IN THE BLACK CHURCH Robert L. DeVaux, 2024-07-31 This book is a critique of the black church's response to the injustice within its community it specifically examines the author's own church it's focal points upon his arrival and the changes implemented in addressing the mindset of the church's leaders and lay person

All God's Children Terence Lester, 2023-06-20 The more you understand someone's history the better you can see their humanity Terence Lester shares the buried history of the struggles that Black people have faced against unjust systems paving the way for the church to move beyond showing support from a distance toward long term solidarity advocacy and friendship

Evolutions in Critical and Postcritical Ethnography Allison Daniel Anders, George W. Noblit, 2024-07-11 Moving beyond traditional critical ethnography postcritical ethnographies accept as a key premise that studies which are critical of the social world must also turn critique back on the ethnographer the study and its process The book includes an introduction to the evolutions of critical ethnography and postcritical ethnography and exemplar chapters from contributors who engaged in long term ethnographic studies Accompanying each chapter is an introductory preface and margin notes created by the editors to underscore the methodological moves made by each author Addressing the distinct orientations critical and postcritical ethnographies take the book illuminates how different authors think enact and represent their critical and postcritical post critical work In this way the book is pedagogical within and across each chapter Each contributor has produced a chapter that includes a brief summary of their respective long term inquiry project with emphases on relation in the being doing and theorizing of qualitative research Contributors discuss their navigation of commitments across the arc of their research and engage critical social theory interrogating issues of power and ideology Each chapter includes retrospective analytical reflections on the long term ethnographic work contributors completed The chapters address interpretivist commitments to emic analyses metaphor and representation and each contributor's personal and professional commitments to equity and justice The chapters engage critical social theories crip horizons critical race theory and queer theory as well as critical and queer pedagogies de colonialism and post humanism A summary chapter addresses key issues in contemporary postcritical post critical qualitative research The book is designed to prepare novice qualitative researchers to craft conduct and represent postcritical post critical qualitative research The book provides guidance for researchers who are interested in social critique equity and justice and who seek to avoid the failures in the last quarter of the 20th Century of critical ethnography

Spirituality Matters in Social Work James Dudley, 2016-03-02 Offering a focus that is lacking or not clearly evident in most spirituality books Dudley addresses specific ways of incorporating spirituality into practice and integrates many of the contributions of other writers into an overall eclectic practice approach His approach revolves around many of the core competencies of the EPAS accreditation CSWE 2008 Most of the core competencies are addressed with an emphasis on professional identity ethical practice critical thinking diversity practice contexts and a major practice framework of the

book the practice stages of engagement assessment intervention and evaluation **Faithful Politics** Miranda Zapor Cruz, 2024-08-20 Christians who share similar faith convictions can arrive at different political conclusions In this nonpartisan overview Miranda Zapor Cruz shares ten theological approaches Christians throughout history have used to navigate political participation helping us form a vision of faithful citizenship in an increasingly polarized society **Voices in the Wilderness** John L. Thomas Jr., 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is accessible to the average reader but also contributes to the academic conversation about both style and theological content Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods Starting with the brutality of chattel slavery early formations in segregated Southern life rapid migration to and urbanization in Northern cities and various events throughout the post civil rights era the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change At the heart of the book three prime examples are presented as models of the real genius of Black preaching The reader will never again think about Reverend Martin Luther King Jr Malcolm X and the Reverend Jesse Jackson in the same way A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future The book is a provocative and critical analysis of why Black preaching still matters *What's Worship Got to Do with It?* Claudio Carvalhaes, 2018-11-09 This book connects the living realms of the church the self the neighbor and the world It envisions our daily local and global life from liturgical spaces places where Christians worship God Through these relations we can connect worship with economy preaching with raising a village baptism with forms of citizenship ecology and the market Easter with immigration liturgical knees with colonization spirituality with minority voices all uttering prayers that name racism poverty and a liberation theology of glory In these pages Claudio Carvalhaes issues a call to the churches to move from captive and colonized spaces into where the Spirit lives among the poor the needy the forgotten With a variety of relations between the Christian faith and our cultural ways of living Carvalhaes offers new liturgical and theological imaginings to be engaged with the most vulnerable in our societies and the earth A creative liturgical theology of liberation that makes sense of God between the world and the table altar between the pulpit and local communities the worship space and our multiple lived experiences For liturgy is an endless song of liberation This book is a call to life **Change Agent Church in Black Lives Matter Times** Valerie A. Miles-Tribble, 2020-05-29 Volatile social dissonance in America's urban landscape is the backdrop as Valerie A Miles Tribble examines tensions in ecclesiology and public theology focusing on theoethical dilemmas that complicate churches public justice witness as prophetic change agents She attributes churches reticence to confront unjust disparities to conflicting views for example of Black Lives Matter protests as mere politics and disparities in leader and congregant preparation for public justice roles As a practical theologian with experience in

organizational leadership Miles Tribble applies adaptive change theory public justice theory and a womanist communitarian perspective engaging Emilie Townes's construct of cultural evil as she presents a model of social reform activism reenvisioned as public discipleship She contends that urban churches are urgently needed to embrace active prophetic roles and thus increase public justice witness Black Lives Matter times compel churches to connect faith with public roles as spiritual catalysts of change
